WE CURE MEN

Our Cures Are Thorough and Permanent

NO EXPERIMENTS—NO FAILURES—QUICK CURES

OUR METHODS are up to date, and are indorsed by the highest medical authorities of Europe and America. Hence our success in the treatment of men's diseases.

MEN, if you are suffering from any disease or weakness, we want you to know you have a friend in us. We want you to feel that you can come to us, with the troubles you'd tell to your closest friend—or that you would even hesitate to tell him. Our relations will be as PRIVATE and CONFIDENTIAL as they have been with multitudes of others who have received our assistance. Be careful in selecting a doctor to treat you, for it all depends upon the physician you go to as to whether you get the cure you seek. WE FULFILL ALL OUR PROMISES and never hold out false hope.

Are You a Perfect Man With Plenty of Life and Energy and Vigor of Youth?

To be strong and manly is the aim of every man, and yet how many we find who are wasting the vitality and strength which Nature gives them. Instead of developing into the strong, vigorous, manly young fellows that Nature intended them to be, they find themselves weak, stunted and despondent—no ambition to do anything. They struggle aimlessly along, sooner or later to become victims of that dread disease, nervous debility; their finer sensibilities blunted and their nerves shattered.

Men suffer week in and month out because they know no better. Diseases of a private nature make them backward to tell of their condition. They many times take their case to those who have not had the necessary experience to treat intelligently those ailments peculiar to the male sex. That is where we have the advantage. I CURE MEN

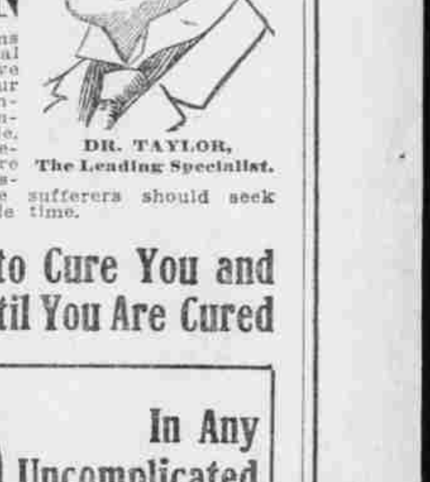
Do you get up in the morning tired, a weighty feeling deep in your head, with heavy eyes, a general sense of weakness all over you? Does your back ache? Are you perpetually tired, with disinclination for either mental or physical activity? Do you experience hot and cold flashes up and down your spinal column, palpitation of the heart, sleeplessness, extreme nervousness, and a constant craving for something that you are unable to identify? Are you oppressed at times with a nameless dread—as if of some impending danger?



DR. TAYLOR, The Leading Specialist.

A SERIOUS CONDITION

If you have any of the above symptoms yours is beyond doubt a case of functional derangement, brought on by an excessive waste of nervous energy. The cause of your condition may be due to a congested, enlarged or inflamed Prostate Gland, an uncured Contracted Disorder, or Varicocele. Unless the damage is repaired and the tremendous waste of energy stopped, the entire nervous system becomes bankrupt—and suspends. It is imperative, therefore, that the sufferers should seek effective medical aid in the quickest possible time.

I Will Give You a Guarantee to Cure You and You Need Not Pay a Dollar Until You Are Cured

My Fee for a Cure Is Only $10 In Any Uncomplicated Ailment

Don't Delay Treatment

Many a man, suffering right on the verge of nervous ruin, attempts to cure himself with some patent medicine, and advertised "Tonic" or a private formula he has heard about. Ofttimes he tries a drugstore treatment, or he experiments with such worthless devices as electric belts, or some other electric device which almost invariably tears down instead of building up.

THE FEAR THAT YOU COULD NOT BE CURED may have deterred you from taking honest treatment. Or you may have been one of the unfortunates who have been treated in vain by inexperienced physicians, FREE TREATMENTS, FREE TRIAL SAMPLES, PATENT MEDICINES, ELECTRIC BELTS and other similar devices. Such treatments cannot and will never cure you, nor will these maladies cure themselves. When I offer you a cure and am willing to risk my professional reputation in curing you, and have such FAITH AND CONFIDENCE in my continued success in treating these diseases that I WILL NOT DEMAND A DOLLAR UNLESS YOU ARE PERMANENTLY CURED and satisfied with a lasting cure, what fairer business proposition can be offered to the sick and afflicted? This should convince the most skeptical, as I mean what I say and do exactly as I advertise. I am sure of SAFE AND POSITIVE CURES in the shortest possible time without injurious after-effects. My charges will be as low as possible for conscientious, skillful and successful services, and MY guarantee is simple and true.

Heed My Warning

My heart is filled with compassion for the man who is misled by the extravagant claims of incompetent doctors until his ailment has progressed beyond the limits of medical skill. Thousands of men are thus rendered hopeless wrecks, who, IF THEY HAD COME TO ME IN THE FIRST PLACE, would today be strong, hearty men, happy in the consciousness of manly vigor. I want this warning to ring in the ears of every ailing man. STOMACH-DRUGGING WILL NOT CURE YOU! ELECTRIC BELTS ARE DANGEROUS MAKESHIFTS. ORDINARY MEDICAL PRACTICE IS OF NO AVAIL. Only individual treatment of soothing, healing medicines, applied to the seat of the disease by a direct method that takes into account your entire physical condition and that provides for any complications that may exist, can ever cure you and permanently restore to you the vigor and buoyancy of perfect health. Such a treatment I have.

My offices are open all day from 9 A. M. to 9 P. M. Sundays from 10 to 1.
