# PORTLAND CREWS IN SECOND PLACE

#### VANCOUVER TEAMS LEAD

Win Junior Singles and Fours, Also Senior Fours and Doubles, While Portland Lads Are Second

in Three Races.

SEATTLE, Wash., July 4 .- (Special.) -Portland had to be satisfied with a few second places in the oar races on 

In the junior four, Vancouver was an easy winner, Portland being about four lengths behind and Victoria still further in the rear. The Vancouver crew led practically from start to finish, and although pushed by Portland in the early stages of the race, won easily in the fast time of 8:45.

The junior double was won by Nelson, the supposedly formidable Victoria entry finishing a poor third, and the unknown Vancouver double being beaten only a few feet in a whirlwind

The senior events of the afternoon were rowed against a strong head wind, but in very fair water.

At the start of the senior single, Desbrisay of Nelson took the lead, closely followed by Glass of Portland. Lang of Vancouver failed to make any showing whatever and was badly distanced. The Nelson scullor rowed in beautiful form, and, although Gloss cut down his lead several lengths after the mile was passed, he finished nearly three lengths ahead. Time, 10:15.

The Portland, Vancouver and Victoria senior fours got away quickly at the start in the order named, the Webfooters rowing a victous 37-to-the-minute and the other two crews about the same. For the other two crews about the same. For the first half mile there was little to choose between them, "Portland leading Van-couver by a small margin most of the time and Victoria being a good third. At the mile, Portland led by nearly a length, but at the mile and a quarter Vancouver drew up even and steadily pulled away, winning by about two lengths with Victoria about the same length distance behind Portland. Times \$17.

The senior double was won easily by Leing and Sawyers of Vancouver, Nelson second and Victoria a poor third.

For the first time in the history of the association the Vancouver entries had plenty of snap as well as form. The Victoria crews showed their usual firstclass watermanship, but lacked the vi-cious drive of the Oregonians, who, while they generally showed their ability to get the lead, apparently lacked condition be in at the finish.

Not a single race was marred by ac-cident and every event was won on its Results

NORTHWEST LEAGUE.

Spokame 4-2; Tacoma 3-3.

SPORANE. Wash., July 4.—(Special.)—Tacoma and Spokane set off a red-hot package of fireworks this morning and afternoon and broke even on two games that it was eminently fitting should have been played on the Fourth of July. In the morning the league leaders hammered out a victory in the ninth inning, getting four hits and three runs, with no one out, and making the score 4 to 3 for them. The Tigers took the afternoon session in much the same manner, getting three nice wallops in their half of the ninth, good for two scores and a lead of one run that Hulen's men could not overcome in their part of the closing inning. Score 3 to 2.

Killilay pitched a fine game for Spokane in the morning and deserved to win, though he had not much the better of Hail, who kept his hits scattered except in the fatal ninth. In the afternoon the Indians were the

tered except in the fatal ninth. In the afternoon the Indians were the better sluggers, but contributed a few errors that helped Tacoma win. Little Bresino was the star of the day for Bresine was the star of the day for the Tigers, scoring two runs with his two-bagger in the morning, and robbing the Indians of a number of hits by sharp fielding. Tri-City League Teams Are More Closely Matched Than Score Would Indicate, but Olney Keeps Opponents Puzzled.

West Portland was again triumphant over East Portland in the Fourth of July matinee, which fell into Nick Whitehead's basket by the score of 8 to 1. The figures look one-sided but the contest was re-plete with good plays despite the dif-

For the next three innings, both pitchers succeeded in retiring their opponents without being threatened, Hurburt getting nine men in a row, of which six were strikeouts. VANCOUVER TAKES TWO GAMES

Defeats St. John and Makes Eighth Straight Winning.

The Vancouver "Pioneers" of the Tri-City League celebrated the Fourth of July by winning both games of a double-header with the St. John "Apostles," at Vancouver yesterday, and incidentally scored their eighth straight victory when the second game was concluded.

The Vancouver team has made such a splendid showing this season that the fans of the Washington city are warming up to them in much the same manner as the Portland fans are doing

toward McCredie's men.
Tim Concannon pitched the first game for the "Ploneers," and won out handily by the score of \$ to 2. "Southpaw" Pender performed for Vancouver in the second game, and the visitors were unable to connect with the plate; Pender scoring a shutout and allowing but one hit. Both games were exciting, and caused the fans to cheer lustily. Coe. Vancouver's new shortstop, broke into the game in nice style. His work was decidedly satisfactory, and some of his fielding stunts were of the glit-edged

variety.

# CLEVELAND CLUB AFTER BEAVERS.

The Cleveland baseball club of the American League, from whom Manager McCredle purchased Pitcher Graney, is making a strenuous effort to land Bobby Groom and Tom Raftery to boister up the team for its gruelling race in the big brush. Manager McCredle was asked yesterday whether he contemplated listening to Cleveland's offer for Groom and Raftery and responded with the following telegram, which indicates that he will retain these two crack players:

When it became known that the big league club was anxious to se-cure the Portland stars many of the fans became anxious, for they remembered that the Portland club had sold Bill Essick and Larry Mc-Lean in midseason. At that time Portland had the pennant cinched. Whereas now McCredie has a strong fight ahead of him, and his telegram indicates that he has no intention of allowing any of his players to get away at the present

ABERDEEN, Wash., July 4.—(Special.)—Mike McIsaac of this city last night made Billy Ross, of Centralia, look like a schoolboy in a 20-round boxing contest at an Athletic Association smoker. SAN FRANCISCO. July 4.—(Special.)—After failing before the Seais four times without a come-back, the Beavers waded into the going today and hung a double-header on the home team. In the morning at Oakland, Bobby Groom pitched a marvelous game, blanking the seais with six scattered hits. In the meantime, Portland took after the offerings of Willis, and the piling up of three runs was easy. An immense crowd was on the job in the afternoon, notwithstanding the greater counter-attraction, the Gans-Nelson fight. Slivers Henley came in for a nice hammering. He was riding nicely until the sixth inning, when the Beavers opened up and put four runs over. After two had been registered, and with McCredie on second, Bassey hit the ball over the left-field fence, polishing off the day's work.

Before the game the boys indulged in "fungo" contests. McArdle took the accurate throwing prize. Danzig was the best long distance thrower. Jones won the 50-yard dash, and Raftery won both the 75-yard dash and the run around the bases. The score:
