

ANTIS INCLINED TO QUIT FIGHT

Wait for Murphy's Signal Against Bryan.

HE WON'T TAKE UP LOST CAUSE

New York's Decision Will Settle Whole Question.

TESTING BRYAN STRENGTH

Commoner's Friends Confident. Caucus on Monday Will Decide Course of Rivals - Waiting Till Delegates Arrive.

DENVER, Colo., July 4.—Whether to continue the fight against William Jennings Bryan or to abandon the field to those who insist that the Nebraska will be nominated on the first ballot has been the subject of many conferences here today, in which the leaders of the anti-Bryan forces have been participants.

These men gained the impression that Mr. Murphy is not disposed to join in a movement to defeat Mr. Bryan if it shall be demonstrated within the next 48 hours beyond a question of doubt that the task is hopeless.

Antis at Sea. The conferences today were not directed by the representatives of Judge George Gray and Governor John A. Johnson, the candidates against Mr. Bryan who are now in the field, but were entirely apart from any plan to further the interests of either of these men.

DENVER, Colo., July 4.—Joshua Marvel and Richard J. Beamish, the campaign managers for Judge Gray, of Delaware, today mailed an open letter to all delegates to the convention urging the nomination of Judge Gray for President and William J. Bryan for Vice-President.

DENVER, Colo., July 4.—Joshua Marvel and Richard J. Beamish, the campaign managers for Judge Gray, of Delaware, today mailed an open letter to all delegates to the convention urging the nomination of Judge Gray for President and William J. Bryan for Vice-President.

Gray and Bryan will insure the electoral votes of New York, New Jersey, Delaware, Connecticut, West Virginia, Maryland, Indiana and Oklahoma for the Democracy and will bring into the party fold Nebraska, Illinois, Colorado, and other Western states which will combine to make a majority.

REMAINS FOREST PRESERVE. President Signs Order for Forestry Changes.

OREGONIAN NEWS BUREAU, Washington, June 28.—The second step in the comprehensive plan of redistributing the National Forests in the Western states has just been made by the President in signing executive orders which will change the names and boundaries of the forests in Oregon.

President Signs Order for Forestry Changes. The work is to equalize the areas of administrative units and to arrange their boundaries in such a manner as to promote the most efficient and practical administration of the forests. It will en-

able officers of the Forest Service to give prompt attention to all forest business and further the interests and add to the convenience of stockmen, lumbermen, miners and all other users or settlers in the National Forests.

The Oregon National Forests which will be effected by this rearrangement are as follows: A new forest to be known as the Umatilla will contain 550,175 acres and will consist of all of the Heppner and of the northwestern portion of the Blue Mountains Forest. It is located in Morrow, Umatilla, Grant and Wheeler Counties.

The forest to be known as the Deschutes will consist of that portion of the Blue Mountain Forest formerly known as "Blue Mountain (W.)" the northern portion of the Fremont, and certain timber tracts of the Cascade containing 1,480,000 acres. It is located in Crook, Lake, Wheeler, Klamath, Grant and Harney Counties.

The Fremont National Forest will consist of the southern portion of the old "Fremont" and of the "Cascades" Forests and is located in Lake and Klamath Counties. This forest is very irregular in outline and is composed of many segregated areas, the total area will be 1,386,560 acres. It will continue to be under the administration of Supervisor Guy M. Ingram, with headquarters at Lakeview, Or.

The land formerly included in the "Bull Run" and the "Cascade (N)" forest, except that portion south of the Willamette Valley Cascade Mountain wagon road, covering 1,785,320 acres, will be called the Oregon National Forest. This forest is located in Multnomah, Clackamas, Wasco, Marion, Linn and Crook Counties and will continue under the administration of Supervisor Thomas H. Sherrard, with headquarters at Portland, Or.

The Cascade will continue to be the name of that portion of the old "Cascades" Forest (not included in the Fremont) lying between the Willamette Valley and Cascade Mountain wagon road and the middle fork of the Willamette River and West Deschutes River. This forest has an area of 1,845,120 acres, and is located in Lane, Linn, Crook and Klamath Counties. It will be administered by Supervisor C. R. Reitz, with headquarters at Eugene, Or.

The forest now to be known as the Umpqua will embrace 1,498,560 acres, and will consist of the part of the "Cascades (S)" National Forest (which has not been included in the Fremont) between the middle fork of the Willamette River and West Deschutes River and the Rogue River and South Umpqua River divide, also the southern portion of the old "Umpqua" Forest. It is located in Jackson, Curry and Coos Counties. This forest will be administered by Supervisor M. J. Anderson, with headquarters at Grants Pass, Or.

All of the old "Tillamook" and "Umpqua" Forests, except the southern portion of the old "Umpqua," embracing 273,215 acres, will be known as the Siuslaw National Forest. This forest is located in Tillamook, Lane, Douglas, Coos, Lincoln, Polk and Yamhill Counties and will be administered by Supervisor Howard K. O'Brien, with headquarters at Willamina, Or.

The Wallowa is the forest formerly known as the "Imnaha." It contains 1,750,240 acres and is located in Clatsop and Clatskanie Counties. This forest will continue to be under the administration of Supervisor Howard K. O'Brien, with headquarters at Willamina, Or.
