

APPEAL DIRECT TO ROOSEVELT

Cincinnati Shippers Demand Punishment of Big Roads for Contempt.

UNDER OLD JUDGMENT

Ask President Point-Blank Whether He Intends to Enforce Decree Against Missouri Pacific and Rock Island.

CINCINNATI, July 25.—Brushing aside all intermediate processes and modes of action, the Receivers' and Shippers' Association of Cincinnati has carried its war against a general increase in railway freight rates directly to the President of the United States.

SHIPPERS DEMAND PARLEY

Ask Presidents of Eastern Roads to Conference on Rates.

CHICAGO, July 25.—Shipping interests of the entire country, represented by a committee especially appointed at a general conference of the shippers held recently in Chicago, decided at a meeting yesterday to ask presidents of Eastern railroads to meet to discuss the proposed increase in freight rates.

While action on the rate situation was in progress, a long protest and appeal to the Interstate Commerce Commission was being formulated by the National Industrial Traffic League.

Interstate Commission's Order is Obeyed—Fight to Be Kept Up.

TACOMA, Wash., July 25.—It is officially announced by the Northern Pacific Railway Company that consideration given by the transportation lines to the recent decision of the Interstate Commerce Commission on the question of rates on forest products has terminated in announcement by railway lines that rates recently fixed by the commission will be as soon as possible, but in effect by the railways.

WITHOUT HAND TOUCH.

How a 7000-Ton Steel Ingot is Turned Into Usable Goods.

Steel is not made with hands. In the iron and steel industry of America, mechanism rules supreme, declares Prof. J. R. Smith, in "The Story of Iron and Steel." Man does little more than touch levers, while the balance is done by steam and electricity hammering and pulling and lifting with a force unknown to the giants of mythology.

Tip Craze Helps Hotel Doorman.

Evening Wisconsin.

The tip craze is surely predominant at the Plaza, New York City. The doorman of that hotel is absorbing coin like a hopper does corn.
