

SULTAN ACTS LIKE CALIPH HAROUN

Walks Streets of Capital Un-guarded, After Long Seclusion.

LIBERTY OPENLY GRANTED

First Time Since Accession, Abdul Hamid Appears in Public, but Is Not Recognized—Constitution Solemnly Confirmed.

CONSTANTINOPLE, Aug. 1.—The Sultan's appearance in public this evening before the sublime porte, solemnly upholding the constitution and enumerating all the exceptional measures of the old regime, which it declared now have been completely abolished.

Abdul Hamid walked among the people in the streets today for the first time since his accession to the throne, in 1876, on the deposition of his elder brother, Murad V. He was accompanied by a single official in plain clothes and returned to the Yildiz Kiosk unrecognized, as the people are not acquainted with his features and, therefore, did not know him.

As soon as the news of this remarkable departure from the habits of the Sultan became generally known, there was a rush of Turks to the palace and much enthusiasm followed.

IZZET PASHA DODGES ENEMIES

Escapes Despite Young Turks' Efforts—Sultan's Love of People.

CONSTANTINOPLE, Aug. 1.—Izzet Pasha, the former sub-secretary of the Sultan, who a few days ago was given a post that amounted practically to exile, has made his escape from Constantinople on a cargo steamer bound for Mediterranean ports. The young Turks made active efforts to stop the steamer, even applying to the British Embassy to compel the surrender of Izzet Pasha.

Speaking today to the grand vizier and others of his entourage, the Sultan said:

"I am exceedingly gratified at the devotion of my children; may they all be prosperous. I love my people. I have hitherto been deceived by traitors. Henceforth my people will live with me and I with them. I am confident of their fidelity."

DISCONTENT AT ADRIANOPLE

Second Army Corps Shows Feeling Against Sultan.

CONSTANTINOPLE, Aug. 1.—The situation at Adrianople, the headquarters of the Second Army Corps, is giving rise to much concern. The strong feeling there against the Sultan has been evinced by the tearing down of placards bearing the words "Long live the Sultan," while at a meeting held in the public gardens a protest was raised against cheers being given for the Sultan. Messages received here from the provinces set forth that the army will not tolerate any trifling with the new constitution, which must be upheld in its entirety.

This committee expresses the belief that it would not only be of general good but render more effective the campaign begun in the United States, India and Australia to the same end.

MEELY BURIAL SOCIETY

LOUISVILLE, Ky., Aug. 1.—Louis Browder, the negro who killed James Cunningham, has been brought here, having been brought here a week ago from Bowling Green for safe keeping. When told by a reporter that the four negroes had been taken from jail at Russellville and lynched, he said he was hanged has been used for the same purpose before.

MOB HANGS FOUR

Negroes Who Approved Brutal Murder Punished.

DANGLE FROM SAME TREE

Small but Well-Organized Mob at Russellville, Ky., Does Its Work Quietly and Citizens Are Not Awakened.

RUSSELLVILLE, Ky., Aug. 1.—Four negroes, Virgil, Tom and Robert Jones and Joe Riley, were taken from jail here early today and hanged to a tree on the edge of town.

No shots were fired by the mob, which was composed of about 50 men, and the people of the town knew nothing of the night until daylight revealed the four bodies dangling from a tree just outside Russellville on the Nashville Pike. The following note was found pinned on one of the bodies:

"Let this be a warning to you negroes to leave white people alone or you will go the same way. Hugh Rogers better shut up or the sheriff will hang him."

The negroes who were lynched were members of a lodge, and at a meeting recently, it is said, they approved the murder of Jesse Baker, a white farmer, by his negro tenant, Rufus Brown. This murder occurred in the southern part of Logan County, and it is supposed here that the mob was made up of men from that part of the county.

JAIL WAS NOT GUARDED

The negroes had been in jail for several days, and while there had been constant unrest since the attempt on the part of the mob to take Browder, the slayer of Cunningham, from jail some nights ago, no real trouble was anticipated and there was no guard around the prison. The effort to get Browder failed, owing to the fact that he was spirited out of the jail by the sheriff, when he appeared, he found himself covered by rifles and shotguns and was given the command to turn over the keys or be shot down. After a short parley with the members of the mob in which he tried to persuade them to go away without violence, he finally handed over the keys.

Two of the negroes, not being given time to dress, were taken along in their night shirts, and the whole party proceeded at once to a tree on the outskirts of the city on the Nashville Pike, where the negroes were strung up in a row.

Contrary to usual custom of mobs, no shots were fired at swinging victims, and the mob dispersed as soon as it had finished its work. There is no clue to the members of the band, as the jailer, the only witness, did not recognize them.

The bodies of the negroes were cut down during the morning.

CAUSE OF LYNCHING

The negroes were members of a lodge in the southern part of Logan County, and just when the entire county was stirred up by the brutal murder of Mr. Cunningham by Browder, they held a meeting and expressed approval of Browder's deed. Excitement in that vicinity ran so high for a time that it was feared a race war would result, but the four leaders in the mob, and when the mob made its appearance succeeded in convincing it that the negro was not in the jail. The band dispersed and the next morning Browder was taken to Bowling Green, and later to Louisville. The meeting of the negro lodge and its endorsement of Browder's deed occurred immediately afterward.

The tree from which the negroes were hanged has been used for the same purpose before.

GIVE TEN RED HATS

Pope to Create Many Cardinals Next Fall.

ONE MAY BE AMERICAN

Pope Congratulates Gibbons on His Youthfulness—American Cardinal Will Attend Meeting of Congregation of Propaganda.

ROME, Aug. 1.—At the Vatican tonight it was considered certain that Pope Pius will hold a consistory either before November, when the reform of the congregations becomes effective, or in December, at the close of his jubilee year. In either instance, it is asserted, his holiness will create ten new cardinals, because the sacred college is now reduced to a membership of 58, there being 12 red hats to be bestowed.

The presence of Cardinal Gibbons in Rome, it is expected, will result in a decision being reached as to whether or not a new American cardinal will be chosen this year.

Cardinal Gibbons had an audience with the Pope today, which lasted one hour. The pontiff expressed great satisfaction with the condition of the church in America. Speaking of the changes made recently in the organization of Roman congregations, Cardinal Gibbons expressed his admiration for the activity of the Pope in this matter. In reply the Holy Father said:

"You and I are of the same age and we are still quite young. Archbishop Farley, of New York, arrived here today and will be received by the Pope Monday."

THIRD VICTIM IS DEAD

Mrs. Jesse Baker Succumbs to Wounds Husband Inflicted.

SEATTLE, Wash., Aug. 1.—(Special.)—"Be a good boy, Ezra; grow up to be a fine man, and don't forget your mother," were the parting words, supplemented by a fond embrace, of Mrs. Jesse Baker to her son this morning, just before she passed away, the third victim of her husband's insane rage over her proposed suit for divorce. The woman's left kidney had been shot away, one lung had been penetrated and her liver punctured by the three bullets fired by Baker before he killed himself Thursday evening.

Mrs. Ethel Warren, who was shot by Baker, is in a precarious condition.

TWO SUSPECTS IN TOILS

Poles Are Arrested for Murder of Unknown Woman.

NEW YORK, Aug. 1.—Two men were arrested by the Green Point police today in connection with the finding several days ago, in a vacant lot on Canal street, of the body of a woman in an oil-soaked mattress. The men said they were laborers from Glenville, Conn., and gave their names as Julian Kurinski and Walenty Borkowski. Kurinski had a woman's handkerchief and several stick pins.

The men said they were Poles and the victim is thought also to have been a Pole.

ROBERTS' STAY CUT SHORT

Field Marshal's Health Compels Return to England.

WINNIPEG, Aug. 1.—Field Marshal Lord Roberts has sent a message in which he cancels his visit to this city and says he will return to England because of ill-health.

CHINESE COMMISSION COMES TO SPEND YEAR.

THREE HIGH OFFICIALS COME TO PROMOTE COMMERCIAL INTERESTS OF GREAT EMPIRE.

SAN FRANCISCO, Aug. 1.—(Special.)—Pong Sze Chi and Li Ching Tien arrived on board the Siberia today, commissioned by the Chinese government to make an exhaustive investigation of commercial and financial conditions in the United States. The scope of the investigation covers all matters pertaining to the trade relations between the United States and China and will be prosecuted for about a year, after which the commissioners will go to Europe, returning to China by the Suez route.

The commission represents the Chinese Board of Agriculture, Commerce and Industry, which has been in existence for four years, although at first the commercial and agricultural branches worked separately.

"One of the chief objects of our work," said Pong Sze Chi today, "is the promotion of Chinese commercial interests in America. As I am under-secretary of the Board of Commerce, as well as a member of this commission, I will naturally give most of my time to commercial matters. Mr. Li, who is a member of the Board of Review, is more interested in financial affairs."

SOUND BATTLE CRY

Parisian Labor Organs Call on Workingmen to Rise.

FOR COMBAT WITH CAPITAL

Insist That Revolutionary Period Has Arrived—Dangerous State of Unrest is Reached in France.

PARIS, Aug. 1.—There is much excitement among the labor leaders of Paris over the outcome of the recent trouble at Vigneux. That the government is to forever crush such demonstrations is generally recognized, as the laboring classes have reached a feverish if not dangerous state of unrest. Whether the situation will grow worse it is hard to say, but it should be recalled that the history of French labor movements generally shows that turbulence quickly dies out. However, at this moment the revolutionary branch of the unionists is worked up to an unusual pitch on account of the shooting down by the troops at Vigneux of the demonstrators and the arrest of various labor leaders.

The government is preparing to prevent outbreaks on Sunday and Monday, when a second strike called by the Federation of Labor is due to take effect. Additional arrests of labor leaders are planned.

A great majority of the French newspapers continue to condemn unequivocally the laborites for the Vigneux riots.

The market on this coast for cement, and the advance in concrete construction, makes this a very attractive place for the location of a cement manufactory. The men behind the project think they will have a demand here for practically all the product of the plant from the time it is started.

Plans of the company call for the immediate construction of the buildings on the site already chosen, and the speedy installation of cement-making machinery. It is promised that within a year the plant will be in operation, and will be manufacturing cement in large quantities.

SARANAC INN, N. Y., Aug. 1.—Governor Hughes today announced that he will call an extraordinary trial term of the Supreme Court for Kings County to be held on August 25. The grand jury will be called together Monday.

It is said that Acting District Attorney Elder made the request for calling the extraordinary session of the court, in view of the fact that racing will be resumed at the Brighton Beach track on August 16, following the Saratoga meeting. He is anxious to see how the laws will be observed at that time. It is also his purpose, it was said, to bring other racetrack matters before the special grand jury.

FURNISHING THE WANTED PABULUM CURES EPILEPSY

CLARENCE HEINEY, (Before Treatment.)

CLARENCE HEINEY, (After four months' treatment.)

Bluejacket, L. T., April, 1907.

Mr. C. H. Van Vleck, Kansas City, Mo.

Dear Sir:—I am sending you a photograph of Clarence, that you may use in your Blue Book. I would say for the benefit of others afflicted as he was that our family physician gave us no hope of his being cured, and three specialists in the treatment of Epilepsy, with which our son was afflicted, failed to give him any permanent relief. He had become so run-down and the disease so despondent that we were almost convinced that an Insane Asylum would be the ultimate outcome. He had been unable to talk intelligently, except at short intervals, and wife and myself had to feed him while he was propped in his bed or chair; he could take but a step or two, when endeavoring to walk, with my support, when he would sink down or fall in a state of insensibility, and would have besides these slight attacks from time to time of the very worst epileptic fits daily. Now, a little after four months' use of the Van Vleck Gland Extracts, he is able to go where he likes and play ball and does any kind of work, eats three square meals every day, and has just returned from a visit to his grandparents at Fairbury, Neb., covering over a thousand miles on the trip. Will state, too, that he weighed 76 pounds when in Kansas City to consult you, but now he weighs 118 pounds. I cannot recommend the Van Vleck Gland Extracts too highly for this horrible affliction, also for other ailments, as, after the almost miraculous cure of my son, a number of others here have taken the treatment for other ailments and are being cured where everything else had failed. Yours truly, G. M. HEINEY.

Agt. of M. K. & T. Ry. and the American Express Co.

This wonderful transformation, brought about in four months by the use of Animal Gland Extracts, made and dispensed by the Van Vleck Gland Extract Co. For further proof write the parents of this young man, and call at our offices, 708-709 Dekum Building, or write us for illustrated Blue Book, which fully explains the cause of disease and the cures thereof.

Examination and consultation absolutely free. A postal card will bring our Blue Book and Question Blank to your door. Fill out the blank, tell us all about your disease, and we will tell you—free of charge—what can be done for you. Remember, we treat all nervous and chronic diseases.
