NEWPORT SEASON LASTS WELL

Few Tourists Have Gone and Many Are Yet to Come.

NEWPORT, Aug. 22.—(Special.)—The Summer season at Newport is holding out remarkably well. Very few Summer tourists have as yet left Newport, and more are coming. The two trains a day still continue to bring good crowds daily to Newport. The few people who have left Newport are mainly campers. Families located in cottages at Nye Beach will, generally speaking, remain for two or three weeks yet.

The weather since the recent rainfall has been beautiful at Newport. Windy afternoons which made the early part of August so disagreeable are a thing of the past.

Excursions Popular.

During the past week Newport tourists have taken advantage of the excellent weather and have gone on all kinds of excursions, fishing, hunting and picnicing. Monday afternoon the largest Summer party of the season spent the day in the Monterey woods. In the merry crowd were Mrs. Claud Gatch, Mr. and Mrs. R. B. Fleming, Mr. and Mrs. A. N. Salmon in Bay.

The early rains of the week brought a small school of salmon into the bay, and the sportsmen visiting Newport have been fairly successful in landing the silversides.

An enormous run of herring is reported from Alsea Bay, south of Newport. In Yaquina Bay the tom cod and candle fish are coming in to the shoal water in great numbers, much to the delight of the local fishermen. Every boat on the bay is now usually occupied.

Only one train a day will be run from Albany to Yaquina after September 15. After this time one train will be taken off, but Traffic Manager Jenkins has not yet decided whether it will be the noon or the evening train.

NORTH BEACH SOCIETY ACTIVE

Tennis Tournament and Attending Events Monopolize Attention.

NORTH BEACH, Wash., Aug. 22.—(Special.)—Each day finds this delightful long stretch of beach receiving the public patronage with renewed energy and enterprise. Social affairs are decidedly active and the crowds continue to come on every steamer from the heated interior to the cool nights and bracing days that beach life offers.

Tennis has been the chief attraction at North Beach this week, as the invitation tournament opened on Monday, and the attendance has been very large. The main event of the tournament is the gentlemen's singles, scratch, for the "Breakers" cup, to be won three times before becoming the permanent property of the holder. The prizes were of beautiful design and workmanship; prominent among them was the very handsome cup given by Mrs. H. E. Judge for the men's handicap singles.

The attendance includes guests from all the adjacent states, and all the Coast cities are well represented by their leading players. Prominent among them are Miss Hazel Hotchkiss and Louis Freeman, from Pasadena, Cal., and F. R. Goodwin, from Vancouver, B. C.

Among the Portland players are Mr. and Mrs. F. H. V. Andrews, Mr. and Mrs. R. W. Wilbur, Mr. and Mrs. H. E. Judge, Mr. and Mrs. W. I. Northrup, Mr. and Mrs. Walter Cook, Mr. and Mrs. L. H. Briggs, Mr. and Mrs. F. H. Irwin, Mrs. H. S. Green, Miss Stella Fording, Miss Lillian Fox, Miss Mabel Goss, Miss Lillian Carstens, Miss Myrtle Shaefer, Miss Lessie Leadbetter, Stuart Freeman, R. R. Warinner, T. Morris Dunne, Irving Rohr, E. L. Mersereau, E. W. Mersereau, A. B. McAlpin, Kenneth McAlpin, F. E. Harrington, James Shives, Thomas G. Farrell, C. B. Arthur and others. Miss Irene Campbell, of Chemawa, Or., is among the players.

The games were played on wood courts, and it is intended making the tournament an annual affair. The tourney was held under the auspices of the Multnomah Amateur Athletic Club, and the Irvington Club, and is sanctioned by the National Lawn Tennis Association. The committee in charge of the affair is composed of A. B. McAlpin, chairman; D. S. Bellinger, Walter A. Goss, Irving Rohr, W. K. Scott and Brandt Wickersham. Mr. McAlpin was referee.

Many social events have been held during the tournament and Portland society is well represented. On Monday night Parsons Orchestra gave an open air concert; on Tuesday evening a fancy dress ball was given at the hostelry, and on Wednesday night a musicale in which several well-known Portland musicians participated. Thursday evening an oyster bake was given in the grove near the court, and George W. Boschke came down from Portland to supervise the affair. The tournament closed on Friday night with a tennis ball.

Mrs. F. M. Buechel entertained at 600 on Friday afternoon at her Ocean View cottage. The rooms were beautifully decorated and an elaborate luncheon was served. The occasion was the thirteenth birthday of the hostess, and the afternoon was made merry with music and games. Later there was a dinner at Hoefler's for the party, at which an immense candlestick of original design and bearing 13 candles in mid-air was prominently featured. In the party were Helen Adams, Margery Adams, Jessie Colgate, Clara Hirschberger, Waldo Hirschberger and Garrett Swigert.

Bowling is always a feature of athletic activity at the beach, and this place has some very enthusiastic bowlers. This past week has witnessed a most exciting contest between Long Beach and Seaview. Of the three games played Long Beach won heavily by scoring 88, 24 and 132 points more than the opposing force.

On Monday evening occurred the thirtieth wedding anniversary of Mr. and Mrs. Thomas Llyniff, of the Driftwood cottage, and the occasion was most fittingly observed by the guests of the famed hostelry. The large rooms were lighted with Chinese lanterns and colored candles, an immense log filled the fireplace and lunch was served from a Delft blue service that has been in the family for over a century. A feature of the evening was the re-tying of the knot that was tied 30 years ago. The evening was given over to music and cards, with a small dance later.

"Marching Through Georgia"

The EDISON PHONOGRAPH

represents not only the original sound-reproducing idea invented by Mr. Edison, but it also represents every improvement Mr. Edison has been able to make in his original invention.

It is an improvement that the Edison Phonograph uses a reproducing point of such hardness that it lasts for years and does away with the annoyance of continually having to change needles.

It is an improvement that the horn is constructed in such a way as to give the greatest clearness and volume of sound, without sacrificing the quality of the sound.

It is an improvement that the Edison Phonograph and Edison Records can be bought so cheaply that they make good music possible to all.

Did you ever try making your own records?

THE EDISON PHONOGRAPH also offers a form of amusement which cannot be obtained in any other similar instrument, and that is the fun of making your own records. For a small additional expense you can obtain from us a recorder and blank records, by which you can make your own records, and listen to the sound of your own voice and that of your friends. Many an evening's novel entertainment may be had in this way.

We will ship an Edison on approval, without a cent deposit—pay the freight or expressage and allow ten days' **FREE TRIAL** on every Edison Phonograph. Give **Eight Months'** time to pay and charge no interest.

It only costs **one cent** to have the **fairest, safest and the best TALKING MACHINE** proposition ever made sent to you—then decide if you'll have one sent on **Free Trial** as above stated. You take **no risk,** if you buy only after a **Free Trial Without expense to you.** This same offer has been accepted by hundreds of others during the last month and in every instance the Edison was kept in the home—not one sent back—**and there's a reason**—which will be sent on request—**use the coupon.**
