

GADSBYS' GREAT FURNITURE SALE

FURNITURE VALUES THAT YOU'LL NEVER FORGET! IT'S OUR GREAT ANNUAL SEPTEMBER SALE

The week just past was the greatest this firm has ever known. We do not intend to stop, either. September is always our banner month and it will be more so this year than ever, and we offer the following inducements to make it so. The articles shown here, together with the immense reductions, cannot be equalled by the Big Price Boys

The Great Majestic Range

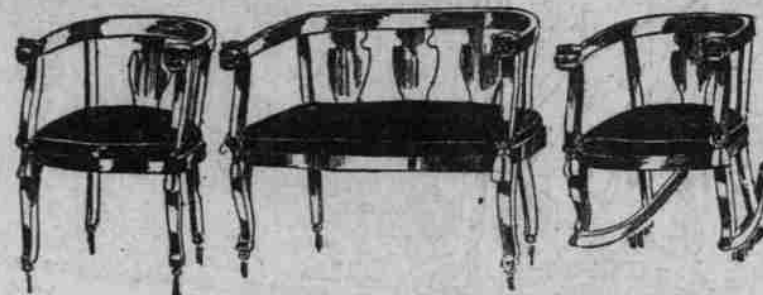

Not Cheapest, But Least Expensive

SAVE FUEL

Don't you think a range that cuts your fuel bill in half is worth more than other ranges? THE GREAT MAJESTIC RANGE only uses half the fuel used in other ranges and gives better satisfaction all around. There is a reason for everything. If you will stop and consider the fact that the MAJESTIC RANGE, being made of non-breakable Malleable Iron, permits the manufacturers to cold rivet all the parts together perfectly air-tight; that it is not made of cast-iron and bolted together as other ranges; that the heat cannot escape through cracks or cold air enter range; that the flues are lined with pure asbestos board (not paper), and are constructed in such a manner as to utilize every particle of heat—you will very readily see why the Majestic Range uses so little fuel. Every user of THE GREAT MAJESTIC RANGE will confirm this statement.

This Handsome Parlor Suit

This is a Parlor Suit that we can heartily recommend to our patrons. It is a new and exquisite design, in rich mahogany finish, and is hand carved in the highest style of art. The covering is of imported Verona velour, upholstered on oil-tempered steel springs—well worth \$50.00. Price on above, **\$35.00** easy terms, only.....

Give Your Wife a Vacation

If you cannot send her to the country or to the lakes, you can relieve her of kitchen drudgery, give her several hours extra each day to enjoy life at home. It does not cost much, either. Just install a simple system, so the work can all be done in one place. That reduces it by half. The only equipment needed to put in this labor-saving system is a
