QUANTITY, QUALITY AND PRICE

Have combined to make this the acknowledged largest and best store for men in Portland. We are essentially masculine, big, strong and aggressive, designed to meet the dress requirements of the sternest sex, and doing it in a way to win the commendation of all. Quality is the foundation upon which we have built. Only the best is good enough for our patrons. Every leading maker is represented, who has kept abreast of the times. Our 1908-09 Fall styles show more complete, more comprehensive than ever before.
