WEST POINT, Oct. 17.—Yale came to West Point this afternoon with a crippled football team, and left tonight victorious. The score, 6 to 0, tells the story of the cadets' downfall. Except for a few minutes in the first half, Yale's goal was never in danger. In justice, it must be said, however, that neither was the cadets—except once. Still that once, which followed an unexpected penalty, brought about their defeat.

Coy had punted to Dean near the end of the second half. Johnston, who had replaced Carberry, was too eager to block the opposing end and the cadets lost the ball and 15 yards to boot for holding. This gave the pigskin to Yale on the cadets' 25-yard line. West Point, after fighting desperately, lost heart, and by successive line plunges, Yale carried the ball across the goal amid frantic cries of "Hold 'em!" from the gray-clad cadets. Coy made the touchdown, and, after the puntout, kicked a goal.

Coy Hero of Day.

The Yale fullback's name is the only one figuring in the score and deservedly so, for it was his consistent punting and plunging that was responsible for the victory of the visitors.

As her coaches had announced, Yale relied solely on old-fashioned football. She attempted no onside kicks, no forward passes, and but one fake play, a double pass from a punt formation.

This, however, failed to gain. West Point, on the other hand, made two pretty gains on onside kicks, one of 35 yards. Her much-heralded forward pass, however, was in evidence but once, and then it nearly cost a touchdown. Dean had hurled the ball cleanly for 20 yards to a waiting West Pointer, but Goebel, the big Yale tackle, jumping high in the air, blocked the pigskin.

Chamberlain Breaks Collarbone.

Nadel, his team mate, picked it up and raced forward for what seemed a touchdown. However, the referee had blown his whistle for an offside play by the cadets, who were given the choice of accepting a five-yard penalty or allowing the touchdown. They took the penalty and Yale lost the score.

Captain Burch, Cooney, Hobbs and Logan were out of the New Haven elevens line-up, owing to injuries.

Considering the excessive heat, substitutions were scarce and there was only one injury—Chamberlain, the cadets fullback, who suffered a fractured collarbone.

Arrangements for handling the crowds were excellent, and there were 10,000 spectators.

The line-up:

FIGHT HARD GAME TO TIE

Neither Minnesota Nor Nebraska Score in Fierce Gridiron Battle.

MINNEAPOLIS, Oct. 17.—In one of the hardest games played on Northrup Field since the Minnesota-Michigan battle of 1903, Minnesota and Nebraska this afternoon fought to a 0 to 0 tie. Although the Minnesota players were outweighed by several pounds, several times the ball was pushed within striking distance of Nebraska's goal line.

U. OF C. DEFEATS STANFORD

California Loses to Freshmen in Snappy Game of Rugby.

STANFORD UNIVERSITY, Cal., Oct. 17.—The freshmen rugby fifteen of the University of California today defeated Stanford freshmen, 21-5 in a snappy exhibition of the game. California was a little in the lead in the matter of conditions, which accounts for the one-sided score.

California scored early in the first half, putting the ball over for a try after a series of charges. Elliott failed to make his goal and the score stood California 3, Stanford 0. Five minutes later Stanford rushed the ball down the field on a scrum under the posts, carried it over, converting with a nice kick. Score, Stanford 5, California 3. The Berkeley team was too quick for its opponents, however, and scored again before half-time. Score, California 6, Stanford 5.

The second half showed California's superior strength and condition plainly, the Blue and Gold team scoring the three tries, all of which were converted, making the score 21 to 5, despite the stubborn fight put up by the Cardinal players.

PRINCETON BEATS VIRGINIANS

Outplays in First Half, Reverses Affairs in Second.

PRINCETON, N. J., Oct. 17.—Princeton was outplayed in the first half of today's football game with Virginia Polytechnic Institute, the score being 4 to 0 in favor of the Virginians, but in the second half the home eleven showed a complete reversal of form, winning by the score of 10 to 4. Hodgeson's long punts kept Princeton continually on the defensive in the first half and his first goal from placement on the 25-yard line surprised the home players, for it was the first score against them this year.

In the second period Princeton, within two minutes after play started and after a succession of line plays, scored a touchdown. Cunningham followed it up later with a goal from the field. The visitors had a heavy team and Princeton gained very little through their line until the latter part of the second half, when the Virginians weakened.

It was hot football weather, and only 15-minute halves were played.

PENNSYLVANIA BEATS BROWN

With Weakened Team Repeatedly Throws Back Opponents' Attack.

PHILADELPHIA, Oct. 17.—In the first big game of the season on Franklin Field, the University of Pennsylvania football team outplayed and defeated the fast Brown eleven today by a score of 12 to 0. The Pennsylvanians scored both of their touchdowns within the first ten minutes' play. Each time the red and blue got within the 25-yard line on the Brown's fumbles.

The Pennsylvania attack could not be held and Manier went over on both touchdowns. Pennsylvania played without the services of Quarterback Neinath and was, consequently, weak on the forward pass. In the second half many substitutes were sent in, but the red and blue had no difficulty in throwing back the Brown attack. The work of the visiting team did not come up to expectations.

Harvard Piles Up Big Score.

CAMBRIDGE, Mass., Oct. 17.—Harvard found a very weak opponent in the Springfield Training School team today, and won easily 44 to 0. The Crimson goal line was never in danger, while the Harvard backs went through the Springfield line almost at will. Fumbling in the visitors' back field also gave Harvard many chances. Harvard played a line-plunging game most of the time. An entirely new Crimson was playing in the second half.

Notre Dame Easy for Michigan.

ANN ARBOR, Mich., Oct. 17.—Michigan won from Notre Dame by 12 to 6. The home team failed to cross the visitors' goal, making their score by kicks from placement two in the first half and one in the last minute of play. The Notre Dame men made one touchdown.

JIMMY JOHNSTONE TO QUIT

Umpire Sore Because Not Chosen in World's Series.

NEW YORK, Oct. 17.—Though the world's series is barely over, already there is an aftermath to it. It is said on good authority that when Harry Pulliam returns to New York he will find awaiting him the resignation of Umpire Jimmy Johnstone, who is highly indignant that he was not selected as one of the referees in the series between the Cubs and the Tigers.

If Johnstone is not satisfied with the way Pulliam acted toward him this Fall, neither was Harry C. enraptured at the manner in which the umpire, once locked out of the polo grounds, carried on last Fall. Johnstone then was sick, but, insead of having his ailment attended to when he was in good physical trim at the end of the season, went on a fishing trip and came back flabby and soft. When he reached the hospital he stayed there until after the 1908 campaign opened, and Pulliam had to work along with five umpires instead of six. Pulliam probably will accept Johnstone's resignation with alacrity.

Tim Hurst offers a reasonable explanation for Ban Johnson's failure to assign Bill Evans to act as one of the American League umpires in the present world's series. "Young Bill," says veteran Tim, "has plenty of time in which to figure in a world's series. Johnson is one of the most loyal men on earth, and probably selected Sheridan and Connolly as his organization's umpires because they have been with him so long and because in the war between the two leagues, when umpires were just as much in demand as players, this pair refused to be wooed from the American League by the big offers from the National."

Game at Vancouver Today.

VANCOUVER, Wash., Oct. 17.—(Special.)—The St. James College football eleven of this city will play the Highland team from Portland on the garrison grounds tomorrow afternoon. The college boys have a very capable coach and are in fine shape for the contest. The line-up for the home team will be: Center, Davis; guards, Stewart and Moriarity; tackles, Kane and Britt; ends, Snooks and McCarthy; right halfback, Morrow; left halfback, Peterson; fullback, Lackoff; quarterback, Reese.

Notice has been given to British subjects at Tangier, Morocco, by the British consulate that his majesty's government will refuse henceforth to advance money as ransom in the event of their being captured by brigands either in or outside the town. This decision has been received with great indignation by the British colony.

SCORE AT EUGENE, 4 TO 0

Varsity Freshmen Beat Portland High School, 5 to 0, in Curtain-Raiser — Agricultural College 26; Sound University 0.

RESULTS OF PACIFIC NORTHWEST FOOTBALL GAMES.
University of Oregon, 4; Oregon Alumni, 0.
Willamette University, 6; Albany College, 5.
Weston Normal School, 19; Columbia Juniors, 0.
Oregon Agricultural College, 26; Puget Sound University, 0.
University of Washington, 24; Whitworth College, 4.
Baker City High, 1; La Grande High, 0.

UNIVERSITY OF OREGON, Eugene, Or., Oct. 17.—(Special.)—Oregon opened the football season this afternoon by defeating a team of her own alumni in one of the best early-season games ever seen on Kincaid Field. The single score came early in the second half, when Fullback Dudley Clarke heeled a fair catch on the Alumni's 30-yard line, from which Captain Fred Moullen sent the oval spinning between the goal posts. The score, Oregon 4, Alumni 0. The kick was a difficult one, notwithstanding the fact that the alumni players were restrained by the ten-yard rule. During the course of the game Moullen and Clarke each tried a kick from placement, but without success.

The alumni team contained the largest number of individual stars ever seen here. The end positions were filled by G. C. Moores and W. G. Chandler; the tackles by Virgil Earl and Olen Arnspiger, and the guards by Seth Kerron, Glen Scott and Henry McKinney. Hug played center and J. R. Latourette directed the team's play from the quarterback position. Frank Templeton and Roy Zacharias played the halfback positions, while McKinney and Kerron alternated at fullback.

Stars Strong on Defensive.

Eight of these men made the Oregonian's All-Northwest team during their college days. Owing to their lack of training and poor condition, their offense today was not consistent, but on the defensive they played rings all around the varsity.

Coach Forbes tried out 17 men and expressed himself as satisfied with the showing made. Among those who did excellent work were Clarke, Moullen, Pinkham, Michael, Main, B. Chandler and E. Latourette. The playing of the team was fast and the men were in good condition.

In a preliminary game, the Freshmen defeated the Portland West Side High School by 5 to 0. The high school lads played brilliantly, but were overcome by superior weight. The best men on the high school team were Ludlum, Vosper, Rodes and Patterson. The stars of the freshmen aggregation were McKinley, Means, Stein, Hawkins and Hickson. Hugh J. Boyd, of Portland, and Curtis Coleman, of Eugene, acted as referee and umpire in both games.

The university rooters headed by their band made a great demonstration during the games, which were attended by 1800 people. The day was warm, the field fast and there were no accidents.

Tenders Players Banquet.

Members of the alumni and varsity teams, together with a number of invited guests, were tendered a banquet tonight by S. H. Friendly, a well-known Eugene merchant, who is a member of the university board of regents. The banquet-room was decorated in the college colors and presented a scene of rare beauty.

C. N. McArthur ('01), acted as toastmaster and responses were made by Frederick Stiewer ('06), Judge L. T. Harris ('93), Henry M. McKinney ('07), J. R. Latourette ('07), Richard S. Smith ('01), Captain Fred Moullen, Trainer W. L. Hayward, Coach Robert W. Forbes, Regent S. H. Friendly and President P. L. Campbell. Covers were laid for 60 guests.

ALBANY COLLEGE MEN LOSE

Willamette Warriors Win, 6 to 5, on Salem Gridiron.

SALEM, Or., Oct. 17.—(Special.)—The score of 6 to 5 in favor of the Willamette team fairly represents the relative strength of the Willamette and Albany College football elevens, which played on Willamette's gridiron this afternoon. The game was exciting, but was witnessed by a very small crowd. After making a good catch of Albany's kickoff, Willamette forced the game by swift end runs, and in ten minutes had pushed Cummings over the line in a desperate struggle in the third down. Booth kicked goal.

A series of unsuccessful forward passes, punts, fumbles and line plunges enabled Albany to get within five yards of goal, where the ball was lost on downs. Willamette's punt from behind the goal line was blocked, and Albany recovered the ball on the three-yard line, from which place the necessary distance was covered in two plunges, Rogoway carrying the ball. Berry's failure to catch the kick into the field deprived Albany of a chance at the goal kick.

The second half was played entirely in Albany's field, but Willamette never put the goal in danger. Throughout the game the interference and tackling was splendid on both sides.

Neither team could make a success of the forward pass. The referee was Hockenberry, of Portland.

AGGIES WIN AT CORVALLIS

Beat University of Puget Sound Football Team, 26 to 0.

OREGON AGRICULTURAL COLLEGE, Corvallis, Or., Oct. 17.—(Special.)—The collegians defeated their rivals from the University of Puget Sound this afternoon by a score of 26 to 0. The substitute team, with which Norcross opened the game, was only able to score four points, earned on a field goal by Keck, and the regulars had to be called into service in the second half in order to save the day. The home team made a miserable failure of the forward pass, making it safe only twice in 11 attempts. Their victory was gained by straight football. The lighter men of the university were unable to hold out against the fierce attacks made on their line, and were finally ground down and almost demoralized in the last of the second half.

The Beavers showed high class work in punting and place kicking. Three field goals were scored in as many attempts. Wolfe, Hastings, Jamieson and Cady did brilliant work for the college men, and Case, Sheller and Gordon starred for the visitors.

COLUMBIA JUNIORS BEATEN

Western Normal Gridiron Warriors Show Better Training.

MILTON, Or., Oct. 17.—(Special.)—The Columbia Junior College football team met defeat today on the home gridiron by the eleven from the Weston Station Normal school. The score was 19 to 0 and revealed the rawness of the college team, due to lack of experience in many of the players. It was the first game the team had been in this year, while the Normal boys had had several games, which fact was in their favor today.

The Columbia boys are satisfied that with a little more experience they can easily defeat the Weston lads.

WASHINGTON WINS BY RALLY

Takes Whitworth Down to Defeat in Whirlwind Finish.

SEATTLE, Wash., Oct. 17.—(Special.)—The University of Washington defeated Whitworth College today at football by a score of 24 to 4. After failing to score during the first half, the Washington team made a great spurt toward the close of the game, after Babcock and Jarvis were put in line, and made four touchdowns and a safety in 20 minutes.

La Grande Loses on Forfeit.

LA GRANDE, Or., Oct. 17.—(Special.)—A peculiar decision by the referee in the La Grande-Baker City High School football game here this afternoon gave the visiting team a victory on a forfeit, 1 to 0, when La Grande had made the only touchdown of the game. The locals scored against the Baker team, which outweighed them 20 pounds to the man, early in the game, but protested a decision of the referee later on, and when 10 minutes had elapsed the referee gave the game to Baker City. The referee was Baker's coach.

KEENE'S HORSES IN EUROPE

Many Other Famous Racers Leave for European Tracks.

NEW YORK, Oct. 17.—Fifty thoroughbred horses, including in the number the most famous and successful racers in the James R. Keene, Harry Payne Whitney and August Belmont stables, sailed on board the Atlantic transport line steamer Minnehaha today for England, where the greater number of the horses will be trained for racing next season. Others of the cargo of racehorses will be sent to France.

The most notable consignment loaded on the Minnehaha was that of James R. Keene, which comprised the great 3-year-old Colin, unbeaten in his two years of racing, and winner of 15 races and $181,000; Ballot, unbeaten this season, and winner of the suburban handicap, and the 2-year-olds Suffragette, Selectman, Wamba, Melisande, Wedding Bells and Esperanto.

The Whitney shipment was made up of Stamina, best 3-year-old filly of 1908; Baby Wolf, Delirium and Dinna Ken; of the 2-year-olds Perseus, Robbin, Hillside and Field Dash and 14 yearlings from the Whitney breeding farm. With the Whitney horses went Priscillian, unbeaten this season, and Antaeus, owned by August Belmont. They will be followed later by Mr. Belmont's champion money-winning 3-year-old, Fair Play.

H. B. Duryea shipped the gelding Ben Ban, the 2-year-old fillies Mediant and Spectatress, and a band of half a dozen brood mares, which are destined for France, where Mr. Duryea will breed horses for racing in France. Thomas Hitchcock, Jr., also sent a stable of steeplechasers which are expected to race in France.

"KID" HARRISON WINS BATTLE

Knocks Out "Droxie Kid," of Aberdeen in Twelfth Round.

ABERDEEN, Wash., Oct. 17.—(Special.)—"Kid" Harrison, of Spokane, defeated "the Droxie Kid," of Aberdeen, in the 12th round at the A. A. A. Pavilion last night. The fight was a gruelling affair from the start, and rather unsatisfactory because of the clinching tactics of Harrison. Straight rules governed and Referee Oliver did not intervene until well toward the end of the bout.

For 10 rounds it was all the Droxie's battle. At open fighting the Aberdeen lad greatly excelled, and in the seventh and eighth had a long lead. In either of those two rounds he might have won had he pushed his advantage. At open work, Harrison was shown up by the Aberdeen boy, and the Spokane man's efforts to land resulted in wild swings. It was one of those wild wallops that got the decision for the visitor. The blow landed in the 11th and staggered the local man, who managed to last until the gong sounded.

In the final round Harrison found his opponent unsteady and forced the pace. In clinching he whipped his left to the jaw and then, as the men broke from a holding bee, swung a terrific right to the stomach. The Droxie was done for, and the fight should have been stopped then, but Harrison was permitted to land a left to the head, and, as the loser hung over the ropes, a right to the jaw.

Jimmie Butler, the Droxie's second, grabbed Harrison and hurled him away from the beaten man.

PORTLAND LOSES DOUBLE HEADER

Seals Win First Game by Great Batting Rally Against Kinsella.

DANZIG MAKES BAD ERROR

Blinded by Setting Sun, He Can't See Ball and Lets in Two Runs in the Second Game.

SAN FRANCISCO, Oct. 17.—(Special.)—San Francisco turned the tables on Portland in both games of a double-header today, and it took Ralph Willis to turn the trick. A beautiful batting rally in the first game, that netted seven runs for the Seals, finally gave them an 11-to-1 victory and a little later in the day this same Willis pitched his team ahead by a 2-to-0 tally.

A wild throw by Cooney and a bad effort at stopping the ball by Danzig cost Portland the second game, which was by no means the fault of Bobby Groom. In the initial struggle, however, it was a different story. Kinsella was fairly swatted out of the box, and after seven runs had been tallied off his delivery he retired in favor of Rose.

Casey made the first run of the game on his own single past the infield; a sacrifice by Cooney, a long single to left by Johnson and a sacrifice hit fly by Danzig. Then the Seals came back at Kinsella with such force that he was compelled to quit. There were seven hits all told, one of them a two-bagger by Claude Berry, and these, with errors by Frambes and Kinsella, worked havoc with Rose, who had in the meantime taken possession of the mound. From then until the finish the work of the Beavers was ragged. They worked in spots, let the Seals gather stolen bases at will, and there were four more runs before the wind-up.

The second game, won by San Francisco, 2 to 0, was far better, but at that, it was a tough game for Bobby Groom to lose. There were no runs until the seventh, when, with Mohler out, Hildebrand reached first on an error by Danzig. Zeider followed with a single to center, and after Bodie had fanned, Williams put a grounder down to Cooney that was loosely thrown to first. Danzig couldn't see the ball for that sun, that was getting low, and, as it went by him into the bleachers, two San Franciscans crossed the plate. The scores:

As to Piano Buying and Reliability

If there is any advantage in being able to select your piano from the lines of the 40 best manufacturers in America instead of one or two, you will surely come directly to Eilers Piano House for your requirements.

If you appreciate what it really means to share in the benefits of the most colossal purchasing power possessed by any piano-selling concern in existence, Eilers Piano House will undoubtedly receive your patronage.

Just to illustrate Eilers Piano House bigness, we mention the fact that at the present moment there are over 900 high-grade pianos and organs and pipe organs displayed in our retail store and Thirteenth and Northrup street wholesale establishments.

Prices for new pianos begin at $137 and range upward by easy stages to $1000, $1100, yes, $1625. Organ prices range from $36 up. Pianolas, Pianola Pianos, Orchestrelles, Orchestrions, electric Pianos and every kind of talking machines and talking-machine records are here.

There is not a family in the West who cannot find here the musical instrument of its choice at precisely just what is right to pay.

As to Reliability and Trustworthiness

We know that you and every other Western man and woman knows at least 100 people well enough to influence them. If, then, there were no other reason, this alone is enough to make us extremely cautious of our treatment of you and of every buyer, large or small.

We will not sell anything that we know is not right, for in doing so we might make one profit, but would forever lose the opportunity of getting you back and of getting your friends to buy here.

Ours is actually the only "home" piano house. We live here—we are permanently located here. We pay no middlemen's profits nor agents' or agency commissions, and we expect to do business here in years to come.

You can have confidence in our judgment. The heads of our concern, and the managers of each department, are trained from boyhood in this particular line of work. You can have every confidence in our store and our methods. You need never be suspicious of any of our claims.

You can believe every representation we make, because whenever anything from our concern does not do credit to our name we will refund every penny you have paid us, no matter when you demand it, or upon what grounds you base your claim.

These, in short, are some of the reasons why you should trade at headquarters, at Eilers Piano House, not an "agency," not a "branch"—Portland's "home" piano institution, the biggest, busiest and best.

PLAY SECOND GAME

Soccer Teams Not Yet in Best Form.

SIDES LACKING IN SYSTEM

Cricketers Have Trouble in Scoring Against Columbias, but Finally Get Through With Aid of Heavyweight.

Columbias 5, Cricketers 2.

Soon after the second 45 minutes of play began, when the blinding sun was on their backs, the Cricketers broke the ice for themselves the first time this season yesterday afternoon, when Pattullo failed to clear entirely a nice shot from the left wing, and Mackenzie booted the ball through on the rebound. It was the second league soccer game for both teams, and the Cricketers, while they had hoped for a closer score than five goals to two, were pretty well content to get in the thin edge of the wedge.

The game was rather tame because neither forward line had perfected any team system, owing to the number of new men, and the halfback work on both sides was rather weak. There was much to entertain, however. One thing was the row of heavyweights put out by the Cricketers, beginning with Churchley in goal and extending up through Brown at right fullback to Briggs on the forward line. These three game huskies aggregate 677 pounds in weight, and constitute probably the heaviest trio on any single team on the coast. Each one carries his weight well, too, and all three put up a game that stood out conspicuously, particularly Churchley, whose strong, cool work in goal kept the score down greatly. The best individual on the Cricketers, however, appeared to be Jago. Hughes and Wilson are likely men.

The Columbias opened strongly, scoring four goals in the first canto. Two of these were cleverly put through by "Jim" Mackie, who immediately after had to retire because of a severe kick from Brown. Mackie was almost invincible in front of goal until his injury. Alex Young and Burns are rapidly rounding into shape, while Hartman, Bruce Honeyman, new men, and Clarke, a recruit at fullback, deserve mention. In the second half, when the Cricketers began pressing hard, Dr. Short saved repeatedly, making good with ease in all but a couple of emergencies. Frank Gray was referee. Lineups:

Cricketers (2)—Goal, Churchley; backs, Brown and Jago; halves, Mitchell, Greig, Kellow; forwards, Mackenzie, Wilson, Eyles, Briggs, Hughes.

Columbias (5)—Goal, Pattullo; backs, Short and Clarke; halves, Honeyman, Hartman, J. K. Mackie; forwards, Burns, Davies, J. D. Mackie, Young, Tait.

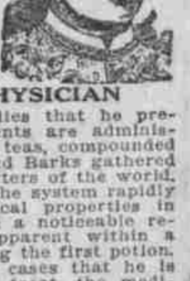
Speedy Relief

From All the Ills That Flesh Is Heir To and Many Others That the Body Acquires From Contagion.

Dr. C. Gee Wo



CHINESE PHYSICIAN

Most of the remedies that he prescribes for his patients are administered in the form of teas, compounded from Roots, Herbs and Barks gathered from the utmost quarters of the world. Taken in this form, the system rapidly assimilates the medical properties in the prescriptions and a noticeable relief is very often apparent within a few hours after taking the first potion. In the more chronic cases that he is daily called upon to treat, the medicine may not show such quick beneficial effects, but it at once attacks the cause and the ravages of the disease are checked.

He has testimonials from patients that suffered from kidney troubles, stomach, lung and liver complaints; others who were subject to rheumatism, fevers and weak heart—and the verdict in every case was the same, viz.: he cured each case. Space here does not permit going into detail for all the diseases that can be cured by him, but if you are sick send four cents in stamps for a symptom blank and be treated by this famous man.

Consultation Free

Office Hours—9 A. M. to 9 P. M. Sundays, 10 A. M. to 4 P. M.
