MOSCOW, Idaho, Oct. 31.—(Special.)—In the most sensational football game ever seen in the Pacific Northwest the inexperienced Oregon eleven today defeated Idaho by the score of 27 to 21.

Idaho's veteran team displayed better form in the old style of football, but Oregon showed marked superiority at punting, running in punts, execution of the forward pass and defense. The game was a seesaw affair, one side being ahead and then the other leading, until the middle of the second half, when Oregon scored two touchdowns in quick succession and established a lead that she held throughout to the finish.

Moullen and Clark Win Game.

The bright particular stars of the day were Captain Fred C. Moullen, of Oregon, who kicked four goals from the field during the course of the game, and Fullback Clark, of Oregon, whose superb kicking unquestionably saved the day for the Oregons. Time after time Clark lifted the ball for 50 to 60 yards, and the Oregon ends were always on hand to throw the Idaho runners in their efforts.

Early in the second half Bill Kiltz, one of the Oregon's new ends, picked up a fumbled punt and ran 30 yards for a touchdown. Two minutes later Clark caught a long forward pass of Idaho's and ran 40 yards for Oregon's second touchdown, which he later converted into a goal.

Sixteen of Oregon's points were made by Moullen on goals from the field. Three out of four of these field goals were made after fair catches, one of which was from the 45-yard line.

Idaho Scores in First Two Minutes.

Thornton, of Idaho, made the first score just two minutes after the game opened, when he picked up a fumble and scored after a 25-yard run. Small kicked a goal. Moullen scored a place kick just before the half ended, and the score stood 6 to 4 in Idaho's favor.

In the second half Small made a place kick and Lundstrum scored a touchdown just before the game ended. The stars for Idaho were Small, Smith, Thornton, Johnson and Elton.

Idaho failed to work her famous spread formation and made a dismal failure of the forward pass. Coach Forbes played seventeen men. He exhausted his supply of substitutes early in the second half and, when Main was ruled off the field for roughness Oregon was compelled to play most of the second half with ten men. Pinkham at guard put up a great game for Oregon, as did Chandler and Latourette, the freshmen quarterbacks. The tackling of Main, Michael, Kiltz, Dodson and Means were features of the game.

Penalties and Wrangles Frequent.

Penalties were frequent and there was no end of enthusiasm. A large delegation was present from Pullman to cheer for Oregon. The Oregon team left for Portland tonight. None of its members were injured. The lineup:

PENDLETON DEFEATS MILTON

Ten Points to Six Tells Strength of Opposing Elevens.

PENDLETON, Or., Oct. 31.—(Special.)—By the score of 10 to 6 the Pendleton High School this afternoon defeated the strong Weston Normal School eleven. Captain Baker, with a touchdown and place kick did the scoring for Pendleton, while R. Niles, with a 30-yard run to a touchdown, following a successfully executed forward pass, was the hero of the visitors.

Both teams confined their efforts to straight football for the most part, and the visitors were clearly outplayed. Pendleton attempted several place kicks, but only one was successful. The score at end of the first half was 6 to 6.

DISPUTES PACIFIC'S CLAIMS

Albany College Has Right to Small College Championship.

ALBANY, Or., Oct. 31.—(Special.)—Albany College contests the right of Pacific University to claim the football championship of the non-conference colleges by virtue of her victory over Willamette University yesterday. Captain Rogeway, of the Albany College football team, asserts that the championship is not yet settled, Albany having defeated Pacific, Willamette having defeated Albany and now Pacific having defeated Willamette.

"If Pacific wants another game with Albany she can have it," said Gibbons. "Manager Ward, of Pacific, and I had a verbal agreement for a return game in Forest Grove on November 20, but he wrote me cancelling the game, saying he could not afford the expenses of such a long trip. He did offer me the game on Thanksgiving day, as he states, but it was understood by him when we agreed on November 20, that Albany could not go to Forest Grove on Thanksgiving."

Albany's fine work against the Chemawa Indians yesterday was a revelation and the team put up a much better game than in any contest this year.

SEATTLE 39; EAST SIDE 0

Portland Lads Make Game Fight, but Are Overwhelmed.

SEATTLE, Wash., Oct. 31.—(Special.)—The East Side High School, of Portland, was defeated by the Broadway High School eleven, of Seattle, this afternoon by a score of 39 to 0. The local eleven out-weighed the Portland boys and had little difficulty in scoring almost at will. Broadway made six touchdowns and a place kick.

The Portland players tackled hard and well but the interference of their opponents was so good that a visiting player seldom got a chance to grab the runner. For Portland, Jones, Everett and Cornell played classy football against their husky opponents, and for Seattle "Penny" Smith and Warren were stars. Twice the Portland lads got to the Broadway three-yard line, but were unable to pierce their opponent's line.

OPEN INTER-CLUB SEASON

MULTNOMAH TO MEET SEATTLE ON NOVEMBER 6.

Boxers and Wrestlers From Each Club Will Contest—Some Good Sport Is Promised.

Edgar Frank, chairman of the Multnomah Club committee on indoor athletics, has arranged a splendid boxing and wrestling card for the opening of the inter-club season on Friday night, November 6. The Seattle Athletic Club will send the pick of its boxers and grapplers to meet the athletes of the Multnomah Club and a high-class entertainment will be afforded the lovers of the game. In the inter-club matches, both in boxing and wrestling, a number of well-known local favorites will hook up with the lads from Seattle.

As an apetizer to the inter-club matches, George Miller will box Thomas Berry in the 120-pound class and Struck and Prejmore will box at 125 pounds. Henry Neicken, who by his gameness and cleverness has boxed himself into great favoritism among the local followers of the game, will meet William Speck, of Seattle, in the 125-pound class. Among the 145 pounders, the local clubmen will pin their faith on C. C. Ralph, who will box Harris, also of the S. A. C. Victor Venable, the Seattle grappler who cleaned up everything in the last tournament held between Multnomah and Seattle, will wrestle E. D. Smith.

One of the features of the event will be the wrestling bout that will bring on the mat the local favorite Edgar Frank. Frank is scheduled to meet Kinkade, of Seattle, in the 125-pound class. This will be the first time that Frank has met a man at his own weight in a long while. In most of his other matches he has been forced to meet grapplers, giving them a call in the weight from 10 to 20 pounds and over.

Jack Grant, the well-known referee, will referee the boxing matches and Herbert Greeland will name the winners in the wrestling bouts.

WINS OUT AT END

Multnomah Defeats Dalles by Six-Naught Score.

AUSTIN MAKES TOUCHDOWN

Plucky Half Put Over for Only Score in Fierce and Grueling Contest—Visitors Prove to Be Worthy Antagonists.

BY W. J. PETRAIN.

The Dalles Athletic Club football team came; they saw, and while they did not conquer, they threw such a scare into the adherents of "Old Multnomah" that some of them are not likely to recover for a long time to come. The final score of yesterday's contest was Multnomah 6, The Dalles Athletic Club 0, and the points made by the home guard were registered so close to the end of the game that it seemed likely that the visitors would go home hugging themselves with having held the Portland Clubmen to a tie score.

However, that ever present "do or die" spirit prevalent in the ranks of the Multnomah Amateur Athletic Club, was in evidence, and by a series of fierce line-bucking, every inch of which was contested by the lads from up the Columbia, Perry Austin, Multnomah's doughty little halfback, was literally hurled over The Dalles' goal line for the only touchdown of the game. This score was registered only two minutes before the expiration of the second half.

Multnomah Slow in First Half.

During the first half the visitors handled the Multnomah players without gloves, and for a time the prospects for the home team were decidedly gloomy. Captain Stott finally managed to inspire the Clubmen with some of his ginger and the winged "M" eleven got into action. By a series of rushes, and a few punts, they succeeded in getting the ball into The Dalles' territory, but were not strong enough to score. The Dalles repeatedly defended its goal line like a crowd of veterans, yet at times displayed a woeful lack of knowledge of the rules. The Dalles' defense work at all times was superb, but the offense attacks were not concerted enough seriously to threaten the local team. Despite the lack of concentration apparent at frequent periods, the visitors put up a surprisingly strong game, and impressed the crowd with their gameness and strength.

For a short period during the first half the visitors had the ball entirely in Multnomah's territory. The Clubfrequently got possession of the ball, but James had an off day at kicking, and only a few of his kicks went for good distances during the entire contest.

The Dalles Giant a Wonder.

The Dalles team numbered among its members a mountain of human flesh, who, if anything, is a giant compared with Dow Walker, and yet, for so large a man, proved extremely active, much to the chagrin of the Multnomah backs when they were carrying the ball. This man goes by the euphonious title of "Fat" Brown, and his position is rightguard for The Dalles team. Just how he manages to carry that huge frame of his to the different points of vantage so expeditiously, is something he alone can explain. Taking everything into consideration, the big fellow was easily the premier performer for the visiting contingent.

However, there are a few other young men from up the Columbia who are entitled to more than passing mention. For instance, there is a diminutive chap named W. Smith, who had the misfortune to be injured in the first half, that need acknowledge no superiority for speed and judgment to any end in the Northwest. In fact, he outstripped the Multnomah ends on every play during the period he remained in the game.

Hard Fight in First Half.

Quarterback Murray is another gritty player to whom great credit is due for the showing made by The Dalles boys, for he guided the plays nicely, and was excellent on defense. Fullback McCoy took the honors easily in the punting line, and frequently gained decided advantages by quick returns of punts. His booting was the means of staving off Multnomah's advance toward a score in the second half.

All during the first half the two teams fought gamely. The ball alternated first from Multnomah territory into that of The Dalles, only to revert back to Multnomah with the home guard struggling against the hustling tactics of the visitors, and finally, just before the end of the half, the Multnomah men braced strongly enough to force the play into the visitor's plot and there to maintain the scene of action until the finale.

In the second half the fight was almost entirely in The Dalles section of the field. Multnomah must have made at least six marches down the field toward the opposing goal line, only to lose the ball on downs, or to be held and a punt forced.

Attempted Field Goal Fails.

Once Bud James was called upon to attempt a goal from the field after two successive line-bucks on the visitors' 25-yard line had failed, but Stott failed to hold Carlson's pass, and when James did kick, he was forced to use haste, and the punt carried low and wide.

In the face of the determined resistance offered, it semed altogether improbable that the clubmen would eventually prove strong enough to hurl the contending players out of the way long enough to allow a score, but they managed finally to do it.

After James missed the field goal, Multnomah again secured the ball on McCoy's kickout, which was not as long as some of his earlier efforts, and the march was on again. Forrest Smithson, Oswald, Dow Walker, Perry Austin and Pilkington alternated at carrying the ball toward the coveted goal line, but when the 15-yard line was reached, the visitors' defense became a stone wall, and The Dalles secured possession of the ball on downs. It was growing dark rapidly, for so much time had been taken out for injuries and squabbles over the rules that the aspect for a score was as gloomy as the atmosphere.

Smithson Makes Good Gain.

McCoy punted to the center of the field, and Forrest Smithson proved the right man in the right place, for the champion hurdler succeeded in hustling down the field for 30 yards before the ambitious tacklers of the opposing team succeeded in halting his progress. In this feat "Smithy" was assisted by magnificent interference on the part of Plowden Stott, Perry Austin, Jack Oswald and Knudson, each of whom bowled over the plunging tacklers neatly and thereby cleared the path for the runner. Smithson, himself, gave "Fatty" Brown his quietus by the stiff arm, but was downed almost immediately by Murray, who got the Multnomah man from behind.

This run was the signal for Multnomah's advance and eventual score. Dow Walker, who had not been used during the early part of the game because of his being singled out by the visitors on almost every play, was called upon, but only carried the ball a scant three yards on the first down.

Austin Makes Touchdown.

Perry Austin proved the most advantageous ground-gainer at this juncture, for on three successive downs, the little fellow carried the ball 12 yards. Oswald was then given the ball, but an offside play on the part of The Dalles' center, netted a penalty of five yards, which brought the ball to within three yards of the goal. Multnomah could not make more than one yard on the next rush, but on the next play Austin went over for the touchdown, and the Multnomah adherents let loose the usual medley of club yells.

Captain Stott kicked the goal neatly and cleanly, and the big game was over.

The Dalles Athletic Club has proved worthy of a game with Multnomah every year, so let us hope that they come again next season, and with equally as strong a team.

BY JOSEPH M. QUENTIN.

It has just dawned on the Multnomah soccer football club that it has found a rival worthy of its profound respect in the newly organized Rangers.

The two clubs locked horns yesterday afternoon at the baseball grounds, and, although Multnomah emerged victor by seven goals to one, that doesnt tell all the tale when it is explained that six of these were scored in the first half and that the clubmen scored only one goal additional and had one goal scored against them. The field was muddy.

The game was the best played of the series. At first it looked as if the Rangers were to be treated to a coat of whitewash, but they rallied in a most unexpected manner, and off Metcalfe's right boot the first goal scored against Multnomah this season was registered. The "hoodoo" is broken.

Club Makes First Goal.

Multnomah kicked off, and the ball went into touch. From a throw in by Sammons a duel took place in the Rangers' right wing, and through it Mills sent the first shot under the net. Lawrence and Keith were hard pressed in the next five minutes and in a run down the field the pressure grew so great that Dyment was forced to kick, and he did so—over the fence. Then Henderson threatened but Barton saved in good style. Hutchinson saved twice, and past the backs came Harry Matthew, who scored.

Two fouls were registered against Multnomah and one "hand," and give-and-take play followed, together with a glimmer of combination. From here on, both sides dribbled instead of passing, but Crosby and Dyment were proof against attack. The clubmen sent in four more goals, the fifth one being a shot from Kydd, who sent the leather to Hutchinson, who fell and the ball dropped out of his hands under the net.

In the second half, the Rangers woke up and gave their rivals a lively run. At 4:38 o'clock a hot shot was sent against Dyment, who missed and Metcalfe sent the ball past Barton's right. It was a difficult shot to stop. The Rangers' rooters grew pink with joy and coached their pets to victory. The play began to drift to the muddy part of the field, and the Rangers gave as good as they got every time. Both Hutchinson and Barton were required to save, and once Hutchinson was knocked out for a minute, but he came up smiling. Real team work began to appear, but this was spoiled by bunchy plays. Hanson, who ran so speedily that his mates christened him "Cyclone" Hanson, sent one through at 4:58, and Mills sent another one past Hutchinson, but was declared off-side. That finished the scoring.

Dyment's Great Defense Game.

Dyment played a fine defense game, and again earned his title to "Stonewall." His kicks were sure, and he had more to do than Crosby. Sid Mills was an admirable center, and Harry Matthew is still the best wing-man. Barton is clever at goal.

Hutchinson, the Rangers' goalkeeper, weighs about 150 pounds and comes from Sheffield, England, and although he hasn't played for years, no one would know it—he's so capable. Captain Quarterman excelled in the right and was ably helped by Kyle. Walker played his position with good judgment, and Henderson and Metcalfe deserve credit. Both Lawrence and Keith played well. Taken altogether, the Rangers have the making of a good team and will probably be the rivals the Multnomahs wish to meet. Wait one more month and see. It's a good thing for the Multnomahs, else they would very probably go stale.

Tom Burns was an efficient and impartial referee, and the linesmen were John Mackie and Will Bennett.

Goals scored: Multnomah—3:41, Mills; 3:50, Harry Matthew; 3:59, Dick; 4:12, Mills; 4:16, Kydd; 4:22, Harry Matthew; 4:58, Hanson. Rangers—4:38, Metcalfe.

Teams: Multnomah—Goal, Barton; backs, Crosby, Dyment; halfbacks, Bennett (captain), Andrew Matthew and Sammons; left wing, Harry Matthew, Hanson; right wing, Kydd, Dick; center, Sidney Mills. Rangers—Goal, Hutchinson; backs, Lawrence, Keith; halfbacks, McKay, Walker, Coxon; left wing, Quarterman (captain), Kyle; center, Douglas; left wing, Metcalfe, Henderson.

OREGON SCRUBS WIN EASILY

Walk Over Multnomah's Second Team by 52-to-0 Score.

UNIVERSITY OF OREGON, Eugene, Or., Oct. 31.—(Special.)—The Oregon Reserves piled up a score of 52 to 0 against the Multnomah Seconds this afternoon on Kincaid Field. It was simply a one-sided story for the Portland boys were clearly outclassed and Oregon's goal was never in danger. The Multnomah ends worked well together and consequently the Oregon men were compelled to resort to line bucks for their consistent gains, though the forward pass was sucessfully used.

Haily, Hawkins and Kessly distinguished themselves for the local team and made the longest runs of the day. Jeffries, Multnomah's quarterback, was slightly injured.

SAGEBRUSHERS FALL DOWN

Stanford Takes Rugby Game From Nevada, 28 to 0.

STANFORD UNIVERSITY, Cal., Oct. 31.—Stanford took an easy victory from the Rugby team of the University of Nevada today, winning by a score of 28 to 0. Though hopelessly outclassed, the visitors played a plucky, defensive game and never lagged for a moment. Largely owing to the absence of Koerner from the Stanford pack, the Sagebrushers had a decided advantage in the scrum, and especially during the first half secured the ball in every scrum or line out. But the blue and white backfield was neither fast nor aggressive enough to get a rush started before its light players were smothered by the Cardinal forwards. The visitors made good gains by dribbling rushes, continuing until it was only a question of how large a score the speedy Stanford backfield would be able to register. Faulkner, at full for Stanford, played a spectacular game and did splendid kicking, while Homer, of Nevada, saved his team many times by clever kicks to touch.

The Dalles 11; Hood River 10.

THE DALLES, Or., Oct. 31.—(Special.)—The Dalles High School team defeated Hood River High School eleven by a score of 11 to 10. The Dalles made their points on two touchdowns and one goal kick. One of The Dalles players, Fullback Frank Pettigrove, broke his left collar-bone in the beginning of the game.

Seattle 10; Spokane 5.

SPOKANE, Oct. 31.—Lincoln High School, of Seattle, upset Spokane's hopes for a Northwest High School champion team today by winning a rousing game 10 to 5. Lincoln scored twice in the first half, a touchdown by Spurger and a field goal by Bryant. DeWitt scored a touchdown for Spokane in the second half. Pritchard, of Spokane, suffered a broken ankle.
