

MAJORITY BELIEVES THAT BRYAN HAS FOUGHT HIS LAST PRESIDENTIAL BATTLE.

HIGH TRIBUTE IS GIVEN

Members of Party in Portland Generally Indorse Nebraskan's Policies and Praise Him as Exemplary Citizen.

Prominent Democrats of this city are not agreed as to whether or not Bryan should be a candidate for the Presidency in 1912.

All Praise Their Leader.

The repeated defeat of Bryan in his aspirations for the Presidency has not depreciated the high estimate placed upon him as a citizen by the members of his party.

But at the same time there is reflected in the appended interviews and editorially that J. B. Ryan, secretary of the Democratic State Central Committee, an intimation that a return to the more conservative policies, even as advocated by late President Cleveland and Judge Parker, of New York, might be advisable.

Always Factor for Good.

"Bryan will be a strong moral force in the country for many years to come," said Governor George E. Chamberlain. "Bryan has a place in the hearts of the American people.

"Bryan is an able man and is so recognized by the whole world," said Chairman Alex Sweek, of the Democratic State Central Committee.

Should Not Run Again.

J. B. Ryan, secretary Democratic State Central Committee—in my opinion Bryan should not run for the Presidency again. The people are afraid of him and have three times repudiated him and his policies.

Honest, Sincere and Earnest.

Mayor Lane—I have nothing to say as to whether or not Bryan should again be candidate for President. But I do believe that the people will have to adopt for their own interests. He is a man who will be held in high esteem by all right-thinking men, and he will long live in their memories after he is dead.

Three Trials Are Enough.

John Manning, ex-District Attorney—I do not think Bryan will become a candidate again in 1912, at any rate, he should not. Bryan is a good man and has advanced many splendid ideas, but he should not make a fourth attempt for the Presidency.

Abliest Man Since Lincoln.

Bert E. Haney, ex-Deputy District Attorney—I consider that Bryan is the cleanest, abliest and best man that has run for President since Abraham Lincoln. He is the highest type of American citizenship in the Republic today.

Don't Neglect Your Eyes

There are no haphazard methods in Thompson's tests. Each examination is of vital importance, and your eyes are safe in his hands

The eye is Thompson's constant study; the relieving of some unusual eye defect his greatest pleasure

8 years in Portland—2 years in Leading Colleges and Hospitals of Europe

If you have pain in or over the eyes, or in the back of the head, headaches, if you see floating specks, if you have blurred eyesight, if everything gets black at times, if the eyes twitch involuntarily, if you see double, if you see rings around lights, there is something wrong and you should have them carefully examined by a skilled specialist.

Democratic party and some man with Bryan's views will be the next nominee of the party for President.

Says Policies Will Prevail.

C. K. Henry—regard Bryan as one of the greatest Americans of today, but have nothing to say as to whether or not he should again be a candidate of his party for President.

Talks of Party's Future.

George H. Thomas, chairman Multnomah County Democratic Central Committee—I have been asked to express an opinion as to the future of the Democratic party. In reply I prefer to give a few facts and let others draw from them food for an opinion.

"On the other hand was Mr. Bryan with a party somewhat disfigured from former political battles, the state administrations of 12 states as compared with 30 for Mr. Taft, the United States Senators of 31 states as compared with those of 21 states for Taft, not a single Federal officeholder at his back, with four-fifths of the newspapers of the country against him, and with only a small percentage of the banking and business interests of the country in his favor.

The result of the election shows encouraging results for Democratic reflection. For instance, Mr. Bryan carried his own state of Nebraska which Roosevelt

BERLIN, Nov. 7.—Count Johann Heinrich von Bernstorff, who recently has represented the German government in Egypt, has been selected by Emperor William to succeed the late Baron Speck von Sternberg as Ambassador to America.

Count von Bernstorff was assigned lately to Egypt. He was first diplomatic agent and Consul-General at Cairo, but was elevated to the rank of Minister Plenipotentiary early in 1908.

While in England the Count came especially under the notice of Emperor William as a result of his work in ameliorating the existing ill-feeling against Germany. He drew up a series of lucid and comprehensive dispatches on the situation.

The Count married Miss Jennie Luckemeyer in 1887. His wife was born December 13, 1868, and the couple have two children. The Luckemeyer family left
