OUR FIRST ANNUAL THANKSGIVING SALE

SPECIAL BARGAINS

Our first year's business—its most wonderful growth—has become widely known as one of the most remarkable business achievements the city has experienced. Nothing in the commercial history of the city presents a more rapid, a more wonderful development. Being located on the East Side makes it all the more phenomenal. Our friends thought we would get few people to come to the East Side to trade, but our friends had no idea of the high-class furniture and the large stock we would carry. Nor were they aware that we could sell at such low prices as to bring customers from all parts of the city; did not understand that we could actually sell so much cheaper, because our new building would afford us a big income, while others were differently situated.

OTHERS PAY RENT, WE COLLECT RENT ON HALF OUR OWN BUILDING WHO CAN SELL THE CHEAPEST?

The Annual Thanksgiving throughout the United States is to express gratitude for the wonderful blessings the people enjoy. This week we will show our deep sense of gratitude for our wonderful success by giving many remarkable bargains irrespective of profit.

Our special Thanksgiving sale would be incomplete without some
