3-Clasp Genuine Trefousse Kid Gloves

Delorme First Quality, Always \$2 Pair, \$1.48

An exact reproduction of the genuine first quality Trefousse Gloves—There are inferior qualities of Trefousse Gloves

\$1.48

—this is the story of how you are able to buy \$2 "Trefousse" French Kid Gloves, Delorme first quality, at the lowest price ever quoted anywhere. This year the 2-clasp glove is the smart thing in London, and the 3-clasp glove is the smart thing in America. Trefousse & Co. brought their immense London stock of 3-clasp kid gloves to America. They decided to dispose of this immense importation at once through the leading first-class store in several cities, and selected Lipman, Wolfe & Co. as their sales agents for this event in Portland, on account of the prestige and reputation of Lipman, Wolfe's glove section.

—this illustration is an exact picture of the gloves in this sale, reproducing the exact signature of the FIRST QUALITY genuine Trefousse French Kid Gloves. Trefousse & Co. denote their first quality kid gloves by the name "Delorme," and the "Delorme" quality is the only first quality overseam kid gloves. This is an important fact to know, because there are inferior qualities of Trefousse Kid Gloves. For the protection of our customers, every pair of first quality Trefousse Kid Gloves is stamped exactly as shown in this illustration. When you see these stamps you are SURE of first quality. Only an expert glover can tell the different grades by their appearance. Stores which do not value their reputation sometimes offer any or all of these grades as first quality in sales. Never before has a pair of Trefousse First Quality Kid Gloves been sold at less than \$2, and it may be many years before an opportunity like this will come again. The sale includes all colors and white, but no blacks. See our big corner window display. Extra force of expert glove fitters to wait on you. None sold to stores at this low price, as this is below importers' cost price. The greatest value ever given by our glove section, a pair

Christmas Sale of Framed Pictures

"As we buy, so we sell," is a merchandising law we never alter. These beautiful works of art are the

Entire Sample Line of Framed Pictures

Produced by one of the country's largest picture manufacturers. Each one is typical of the supremely high-class work always put into "samples." In the superb collections are soft, delicate pastels, dainty water colors, choice platinum, rich somber carbons, exquisite etchings, fine photogravures. Many pieces are GENUINE HAND-COLORINGS. All kinds of subjects are represented—legend, religion, landscapes and seascapes, scenery, still life, the classics, etc. No two alike.

All are pictures that appeal to people with artistic tendencies. Take, for instance, these rarely touching bits of Autumn and Winter landscapes—the bleak, foliage-stripped surroundings, the dimly lighted hamlet street, or again, the dying beauties of Autumn days, or, perhaps, as a direct contrast, some azure-skyed Asiatic scene, or a dainty bit of Venice.
