

# The Olds, Wortman & King Store Alive With the Christmas Spirit

**TOYLAND** The dolls and toys make their bow and beckon in the throngs of Christmas gift seekers. For with us all, 'tis the children and gifts for the children that do the most to make the spirit of Christmas—that spirit of joy and generous desire to give, so typical of the holiday season. Our mammoth toy section will be Santa Claus' Headquarters this year, as usual, and right well equipped to carry out his demands on us for the newest and the best. We've dolls from the best factory—by the hundred—dolls with long lashes and sleeping eyes, dollies with dark, light or auburn hair. Dolls with kid bodies, with bisque bodies or all of celluloid. Dolls as low as one cent and as high twenty-five dollars. **FOR THE BOYS, there are mechanical toys, rocking-horses, tool chests, Irish Mails, every thing for exercise or amusement. Toyland, Third Floor**
