Interesting programmes have been prepared for all of these gatherings. The reception on Wednesday night will be devoted to a membership jubilee. The Rainbow Contest, which is a competitive team inaugurated among the various churches of the city for Y. W. C. A. memberships will terminate at that time and prizes to the successful contestants will be awarded. Music will be furnished by a chorus under the direction of Miss Louisa E. Hellman. Miss Hellman's Glee Club will furnish music. Refreshments will be served. A special reception for contributors to the building and furnishings will be given Friday night. Reports will be rendered by the building and furnishing committees and an address will be delivered by the General Secretary, Miss Constance McCorkle on "The Purpose of the Building."

As there are nearly 6000 contributors to the building and several hundred contributors to the furnishings it has been impossible for the committee in charge to send formal invitations to each contributor, but it wishes to extend a cordial invitation to the friends of the Association to attend this and any of the other entertainments they care to. The dedicatory services will be held Sunday afternoon at 3 o'clock. Among those who will participate in the ceremonies will be representatives from the following organizations: Y. M. C. A., Portland Ministerial Association, Portland Woman's Union, Portland Woman's Club, W. C. T. U. and Council of Jewish Women. Addresses will be delivered by Mayor Lane and Dr. Benjamin Young. Music will be furnished by Miss Hellman's Glee Club. While the building is not yet completed, most of the departments are installed and are conducting their work. Miss Alberta Corey, in charge of the physical department, is now organizing her classes and will begin work about the first of the year. The domestic arts department, employment bureau and travelers' aid department are now in operation.
