

MULTNOMAH BEATS O. A. C. BY 11 TO 10

Winning Score Made by Stott in Last Two Minutes on Long Run.

TEAMS CLOSELY MATCHED

Element of Luck Enters Largely into Scoring, but Both Elevens Show Good Form—Several Forward Passes Are Tried.

BY W. J. PETAINE.

The football team of the Multnomah Amateur Athletic Club triumphed over the eleven of the Oregon Agricultural College in the game played on Multnomah Field yesterday afternoon by the close and exciting score of 11 to 10. The element of luck entered largely into the score made by the team, and on this account it can be truthfully said that the teams played an equal game.

However, the fact that both teams scored their most advantageous points by virtue of long runs, causes the game to be regarded as one of the most spectacular ever seen on the local field.

Incidentally the score of the game is the same as on the last meeting between the elevens three years ago. While the scores were made in a different manner by the collegians, Multnomah's were made almost in the same manner, except that both scores on the last occasion were made in the second half, while yesterday the eleven registered a touchdown in each half, and was, if anything, more spectacular than was that of Brodie, for Stott ran along the east line of the gridiron on the 25-yard line for the first time for a touchdown. He was assisted by splendid interference on the part of Bert Pilkington and Slaker, each of whom bowled the visiting players out of the way, and made it possible for Stott to dodge his way down the field until Gagnon, the Corvallis quarter-back, was the only man between him and the coveted goal. Stott succeeded in avoiding Gagnon in the neatest manner imaginable, and dashed across the goal-line for the score that won the game.

The first half of the game opened with O. A. C. kicking off to Multnomah; Keck booting the ball to Multnomah's ten-yard line. Stott took the ball in 25 yards before being downed, in which play he lost the ball on a fumble. Walker broke through and held Enberg on the first play, whereupon Keck tried for a field goal, but missed. After this the ball was alternately kicked and carried into O. A. C. territory, where the rival elevens fought for some time.

Several Forward Passes Tried.

The "Farmers" tried the forward pass on several occasions, and while they made but scant gains, they were penalized only once for an illegal pass. Despite their poor luck at this style of play, they tried it again, and this time it resulted in one of the sensational plays of the game. O. A. C. secretary, Dwyer, was the ball on its own 45-yard line. The team lined up for the attack, and Gagnon signalled, passing the ball to Keck, who in turn made a forward pass to Brodie, ten yards ahead, and the latter started down the field. Pendergrass broke through the Multnomah interference and in bounding "Pendergrass" for a score. The latter, much to the amusement of the spectators, was pursued by Big Dye Walker, who was unable to overtake the fleet-footed end of the O. A. C. team. Keck then negotiated the goal and the score was 6 to 0 in favor of Corvallis.

Rader then kicked off to Keck on the O. A. C. 10-yard line, and the latter ran it back ten yards. Two attempts at ground-gaining met with determined resistance by Multnomah, and Hastings kicked off to O. A. C. His effort fell short and Stott, who had been in possession of the ball on the O. A. C. 25-yard line. At this juncture Stott tried an inside kick, which was successful because of the agility of O. P. Smith, the Multnomah end, who has heretofore been used as a sub, but who should be played regularly hereafter. Smith recovered the ball neatly on the O. A. C. 5-yard line.

Pilkington Makes Touchdown.

Slaker made four yards on two downs and then Pilkington was hurried over the remaining four yards by the combined efforts of the entire Multnomah team. The ball, when the players were finally extricated, barely rested on the ground, giving the clubmen a touchdown. Stott kicked the goal. The second half ended shortly after this, with the ball in the possession of the visitors on the Multnomah's 40-yard line. Score 8 all.

After the customary 15 minutes' intermission the game was resumed and the O. A. C. players assumed the offensive from the start. On several occasions they made yardage, but were as often compelled to resort to a punt, but by so doing they succeeded in keeping the ball in the Multnomah territory during the most of this half.

When 27 minutes of the allotted 30 minutes of the second half had elapsed, O. A. C. was in possession of the ball on Multnomah's 25-yard line. Multnomah held grandly for two downs, and Keck, for O. A. C., tried for a goal from the field, but fell short and wide. Stott tried a double pass, but Jamieson broke through and tossed Slaker back for a loss. This reverse caused Stott to kick, but most unusual for him, his punt carried wide and went out of bounds for hardly 15 yards advanced. The ball was brought to the center of the field, and without any preliminary attack, Keck tried a field goal. Kelly passed the ball beautifully, Gagnon placing it neatly, and Keck booted it squarely between the Multnomah goal posts for a goal from the field, making the score 10 to 6 in favor of the Oregon Agricultural College.

Only two minutes remained of play and the rooters believed that O. A. C.

HUNT CLUB ELECTS

New Officers Are Chosen for Coming Year.

M'GRATH MAKES SPEECH

Retiring President Advises Members to Continue Efforts in Behalf of Good and Progress of the Organization.

At the tenth annual meeting of the Portland Hunt Club, which was held in the clubrooms last night in the Lumber Exchange building, the entire ticket selected by the nomination committee was elected, and during 1904 the new officers will be: A. M. Cronin, president; W. M. Davis, vice-president; Dr. William L. Wood, treasurer; H. H. Herdman, secretary; Dr. William Cummings, M. F. H. Dr. Emmet Drake, K. B. Lamson, directors.

The reports of the retiring officers showed the club to be in fine condition financially, and it will close the year 1903 with a membership of 114 active members. In his annual report the retiring president, T. S. McGrath, thanked the officers of the club, who gave valuable assistance toward making the horse show the success it was, and especially mentioned the great help given by W. M. Davis, Dr. Emmet Drake, J. W. Crutcher, Dr. W. A. Cumming, T. T. Strain and J. Ernest Laidlaw.

President McGrath has served as president of the Hunt Club for two years, and to him perhaps more than any other member of the club is due the credit for the two very successful horse shows that were given by the club. In speaking of the horse show, President McGrath advised the club members not to lose sight of the fact that the Hunt Club was a riding organization and warned them against devoting too much attention to the horse show, which was simply a side issue.

"We are a riding club," said President McGrath, "and we should not ever lose sight of this fact. While the horse show that we have given have been successful, it will only be a short time before the Oriental building will be razed and there will be no place to hold the show. The preparations for a horse show require a great deal of work and I believe it is about time that the Horse Show should be a separate organization. In my opinion there should be a Horse Show Association."

President McGrath urged the members to take a keen interest in the Country Club and advised them all to help assist as an organization in making the 1904 Country Club Show a success. It was upon his suggestion that a motion was made assuring the holding of a Spring meet, the date to be fixed by the new officers. The Spring meet will be held at the Country Club.

To some of the members who were of the opinion that a great deal of money was spent in entertaining Messrs. Hobart and Bayard, Mr. Cronin's report, as treasurer, must have been a surprise. Of the \$99 that was sent to them to pay their expenses from California to Portland and return, over \$100 was returned to Mr. Cronin by his statement will astonish some of the members who were inclined to criticize the officers of the club. Mr. Cronin's report showed that it had cost the club \$23.20 to give the Horse Show and that the expenses amounted to \$273.32. The largest item of expense was for advertising and for putting in the heating plant and repairing the stables.

Before the meeting adjourned a vote of thanks was extended to President McGrath for his services to the club.

NO TEAM FOR BELLINGHAM

Business Men Decide It Impossible to Finance Undertaking.

BELLINGHAM, Wash., Dec. 5.—(Special.)—That Bellingham will have no place this season in the Northwestern Baseball League, and that the Aberdeen franchise, which was to have gone to her, will be retained by the "Black Cats," is the opinion of the business men of this city for the past three weeks, endeavoring to work up baseball enthusiasm. It seems that Russ is dead sore on Butte and wants to get away from the city for the best of his own interests, and the bunch of players he has signed up will probably wear without uniforms this coming season. The schedule of the league will be arranged at Spokane next Tuesday, when Portland will be formally presented with her franchise.

INDIANS DEFEAT COLORADO

Losers Make Good Showing Against Carlisle Team.

DENVER, Dec. 5.—On a field soft and in spots muddy from the recent snows, Denver University held the Carlisle Indians to a close score, the latter team winning 13 to 6. Carlisle's points were scored in the first half by Hauser, who made two beautiful goals from the field. Denver's score came in the second half after a brilliant exhibition of the new and old styles of football. Bruce kicked a field goal from the 25-yard line.

The teams were about evenly matched in all departments of the game with the exception of running back punts. It was here that Ralenti showed to best advantage. He brought in for losses time field. Crowley of Denver played a strong defensive game, closely followed by Lieber. For the Indians, Hendricks, Hauser, Balenti and Thorpe starred.

DWYER IS TO MEET O'CONNELL

Arrangements Made by Wire for Match December 17.

Mike J. Dwyer, formerly wrestling instructor of President Roosevelt and all the athletic statements of the National Capital, and Ed. O'Connell, the local champion and instructor of the Multnomah Club, came to terms by wire yesterday and will wrestle here December 17. Telegrams flew thick and fast half way across the continent between the two men yesterday and it was finally agreed that Dwyer is to receive \$1000 or his option of 75 percent of the receipts if he wins and will transport himself to Portland by train to receive O'Connell three times in an hour.

Dwyer is now instructor at the New Illinois Athletic Club, of Chicago. That is the new organization that is making things hum in the Windy City. When it entered an aggressive athletic campaign in Chicago it drafted the best men it could get in all branches and took Dwyer from the Denver Athletic Club, at Denver, where he had attracted much attention.
