Satisfaction
Guaranteed

It's all right to trust to luck in buying some things—but it's an unsatisfactory way when it comes to buying furniture. You should make certain that where you buy, that store has a reputation for selling good, reliable, well-constructed furniture. For the kind that doesn't give satisfaction is very often made to look like the good kind. Our reputation in this matter is established. Our patrons, by experience, know that our furniture is the good kind. That's why our list of patrons is steadily growing as season follows season. It will pay you to buy this good kind—and here it doesn't cost any more than the undesirable kind.

JEWEL

10 YEAR
GUARANTEE

Good baking and cooking are dependent on the range. Get a range that "always works, never balks;" that bakes on oven rack and oven bottom; that gives quality and satisfactory results from less fuel.

Large, high, square ovens: are full size and are fitted with JEWEL patent two-piece oven bottoms, which cannot warp. For more than 40 years they have led in every feature that contributes to fuel-saving and cooking quality.

JEWEL Stoves include many original and exclusive ideas and are made in the most complete line of sizes ever offered to the American housewife.

JEWEL Stoves embody the many features of practical excellence you expect in the product of the world's largest stove plant.

The oven walls are lined with asbestos, concentrating the heat around the oven, economizing heat and making JEWELs quick and perfect bakers.

Easy to operate; a model of simplicity and the handsomest and most durable range on the market. They have maintained supremacy in the face of world-wide competition for more than 40 years. You run no risk when you buy a JEWEL.
