PRIVATE TELEPHONE EXCHANGES CONNECTING ALL DEPARTMENTS — EXCHANGE 34, A 6007 — LADIES' REST ROOM ON THE BALCONY

An Entire New Stock Presenting the Latest Style Creations in Women's, Misses' and Children's Wearing Apparel

The CLOAK, SUIT, WAIST AND
PETTICOAT SECT'N - Main Floor

Never before have the women of Portland and vicinity had the opportunity of inspecting such splendid assortment of exclusive garment styles as in the displays of this new section of our store. Extensively shown here are the Three-Piece Suit styles, where the dress is made entirely of the same material with coat to match, or the dress with net or Chiffon sleeves, yoke and other trimmings. In most instances these trimmings are of the same color as the cloth. Other coat suits with Princess skirts. Both these styles we show in the French serges, in pastel as well as the dark shades. Also some very pretty stripes in the new satin solie cloths. These fabrics are medium light weight. Other Three-Piece Suits have the new Sampson and Salome Jumper Dresses with Coats—a very unique style that is very popular in Paris. Prices from \$37.50 to \$250.00.

We show also the beautiful imported Blouses to match—made in Belgium—all hand-braided or embroidered. From \$19.50 to \$35.00—Shown in the Waist Section—Main Floor.

Our large stock of strictly plain Tailored Suits with the new plain coat sleeve are very popular—made in the newest mannish materials—the small, almost invisible stripes—only in a different shade of the same color. Others in solid color French Serges—either semi-fitted or hip-ple models and some tight-fitting. These models are shown also in our line of suits for small women. Prices ranging from \$17.50 to \$75.00.

The Waist Section—Hand embroidered and Chiffon Lawn Waists in dainty patterns, long sleeves, at \$2.25—Hand embroidered Chiffon Lawn Waists with Cluny lace insertion, \$2.75—Hand embroidered Chiffon Lawn Waists with Irish crochet insertion, \$3.50.

Linen Tailored Suits, One-Piece Dresses and Three-Piece Suits just received. These will be very much in vogue this season. Gingham One-Piece Dresses which are intended for both house and street wear are made with three-quarter waist length, strapped and piped in blue and pink small checks and are fast in color, these at \$3.50.

One-Piece Dresses of Indian head and linen, suitable for street, house or beach wear, braided or hand embroidered in all colors. These are priced from \$3.50 to \$25.00.

Our new Silk Petticoats, which are made very full, are warranted for six months. These are priced at \$5.95.

Ten-Wire Tapestry Brussels Rugs \$18.75

The best grade in the full ten-wire Tapestry Brussels Rugs—room size—9 ft. by 12 ft.—adapted to general use—shown in Oriental and conventional designs and pleasing color combinations. These are regular \$25.00 values, and those who contemplate selecting a new floor covering for dining-room, library or living-room should take advantage of this two days' special in the Carpet Department—sixth floor—Monday and Tuesday.

Arrival of New Goods in the Drapery Dept.

Mission Portieres in both tapestry and leather, something new, in all colors. From \$7.50 to \$20. Dainty sleeping-room Linens and Damasks—in new shades and combinations. French Cretannes, Taffeta and Chintz for quaint treatments in sleeping-rooms. Wall Decorations in recent importations—Wall Papers, Damasks and Leathers. The Drapery-Decorative Department—sixth floor.

Handsome Designs Shown in Our Line of Brass Beds

Art, together with the finest material and workmanship are the prominent features displayed in our line of beds in brass.

In both the square and round tubings we are showing the newest styles—full size and three-quarter size continuous and straight posts with large flat vases, heavy square Mission designs, etc., in both the polished and satin brass. Some of the new designs at \$35.00.

SALE of FINE MAHOGANY PARLOR, LIBRARY and LIVING-ROOM PIECES

From our fifth-floor display of high-grade furniture we have selected a number of sample pieces, and these will be priced considerably less than regular in a three days' sale—Monday, Tuesday and Wednesday. These productions represent the work of America's leading makers of fine furniture. The frames are of the finest mahogany and the upholstery is of the quality that enters only into the highest-grade furniture. See our Seventh-street window display.

THE "NEW DOMESTIC" SEWING MACHINES

THE COMPLETE LINE BEING SHOWN IN BASEMENT DEPT.

The Domestic has been made for 45 years, during which time it has been the favorite in the homes of this country, as well as those of foreign countries. The Domestic is pre-eminently the machine for the home—everywhere. In the steel used, the precision of manufacture, the simplicity and adjustability of all moving parts, the Domestic stands alone. We have accepted the Portland agency of this line, knowing it to be the most dependable and most modern. We are showing the complete line—prices from \$38.50 up.

The Medium Grade Is Strongly Represented in Our Furniture Displays

DINING-ROOM FURNITURE—Our second floor is given over almost entirely to the display of the medium and other grades in furniture for the dining-room in the golden oak and fumed oak. Our line of Buffets in the golden oak offers wide range of designs for selection, as does all other pieces that are essential to the complete furnishing of the dining-room. We show some very attractive Buffet designs in quartered golden oak at \$22.00, \$25.00, \$29.00, \$33.00 and up. Solid oak Dining Tables in golden oak—with pedestal base—6-ft. extension, from \$19.00 up; 8-ft. extension, from \$22.00 up. In China Cabinets we show a wide range of designs—corner styles, oval fronts, square fronts, etc.

THE "NEW PROCESS" GAS RANGES

are unequalled for quick work and for economy, ease and safety in operation. Their cooking, baking and broiling qualities are the very best, and the various styles and sizes—made to meet every demand—are conveniently arranged, well proportioned and built for service. They are priced from \$14.50 up, including also connecting where gas stubs project. The complete "New Process" line shown in the Basement Stove Department.
