

# GREAT CREDIT SALE

## CREDIT PRICES AT LESS THAN REGULAR CASH

The policy of this store is "always keep busy." This sale has been organized to keep us busy—to make things hum around here. And if the finest kind of furniture offered at extremely low prices will accomplish this, we certainly will be busy. This furniture came to us at below regular prices and at below regular prices we offer them to you. It only remains for you to come and take your choice.

What kind of furniture? Well, there is hardly a furniture need that cannot be supplied on this occasion. Want an odd table for the parlor? An easy chair for the living-room? A china closet? A dresser? A library table? All these and many other articles of furniture can be had during this sale at prices considerably under those we or any other store ask under ordinary circumstances.
