### GRATEFUL FOR EGZEMA CURE

my Sufferer Can Write to Robt. Susa man, of Toledo, Ohlo, for Full Information.

There are undoubtedly many frauds in the testimonials of medics firms— letters written by friends or even employes of the advertiser. But on the other hand, in some cases the testimo-nials are thoroughly genuine, gladly offered by prominent citizens, who are grateful for the cure. Such a case is that of Robt. Suss-

man, a well-known furrier of Toledo, Ohio, who for years suffered with a severe case of eczema. He described his case as almost un-endurable. About five years ago he was induced to try the oil of winter-green compound known as D. D. D. Prescription for eczema sufferers. He

has gone out of his way to find suf-ferers and to tell them of this rem-edy. He has done this without pay, of course, and without even having been requested to do so by the D. D. D. Company. It was simply the fact that his health, his very life, had been re-stored that made him so enthusiastic, Mr. Sussman recently wrote a letter offering to write to any eczema sufferse and to describe his case. If any reader of this paper should write Mr. Sunsman, we request that self-ad-dressed stamped envelope be enclosed. D. D. D. Prescription, also D. D. D.
