**Fine Reproductions
of Antique Furniture**

Displayed to Advantage on Our Fifth Floor

While we would not minimize the value of genuine antique furniture, we wish to emphasize the superior construction of the many fine pieces shown on our floors—exact reproductions of historical antique furniture. The originals are treasured as heirlooms and cannot be purchased at any price. These reproductions possess the same correct proportions that in the originals were recognized as perfect from an artistic standpoint. But add to this the modern methods employed in the construction and finishing of these reproductions and you possess the meritorious features that made the originals famous. Our collection represents a selection of the finest period reproductions, and those who appreciate "furniture of character" will be interested in our display of fine pieces for the library, living-room, hall, dining-room, reception-room, parlor and sleeping-room. Fifth floor.

Fabrics for Portieres and Side Hangings

LARGE VARIETY CARRIED IN STOCK AND BEING CONSTANTLY RENEWED—MATERIALS FOR EVERY DECORATIVE AND DRAPERY PURPOSE—BROCADES, DAMASKS, VELOURS AND VELVETS. THE DRAPERY-DECORATIVE DEPT.—SIXTH FLOOR.

Nothing so softens the rigid line of woodwork—so restful and harmonious to the eye—as a garnishing of appropriate colors on doors and windows. Most essential are traversed hangings for French windows, either in the living-room or the sleeping-room—in the former velours are most correct, and in the latter shadow cloths and chintz. We will gladly submit estimates covering your requirements, and assure you that from our unequalled showing of new and up-to-date fabrics for door and window hangings you will obtain the most pleasing and correct results.

Something New in Willow Furniture

Just placed on our floors are a number of imported willow pieces—shown in the natural finish—very novel and artistic in design—adapted for bungalow and porch furnishing, or when fitted with dainty cretonne cushions are very appropriate in sleeping-rooms. These pieces can be finished in any color, to conform to the decoration of the rooms for which they are selected. Something different from the ordinary reed pieces. Very comfortable and inexpensive. Chairs, Rockers, Settees and Tables. Arm Chairs as low as **\$7.85**

**Sale of Odd Pieces
Mission Furniture**

To dispose of a number of sample and odd pieces and which are to be substituted with new designs in quaint furniture, we are offering them at such a marked reduction that those who intend selecting pieces of this character for living-room, library or den, will recognize the opportunity for buying during this three days' sale—Monday, Tuesday and Wednesday.

**Hodges Fiber Mattings
and Rugs**

THE NEW SPRING PATTERNS ARE NOW BEING SHOWN IN THE CARPET SECTION—SIXTH FLOOR

The handsomest effects in designs and colors ever offered in these deservedly popular floor coverings—the original "Hodges" Fiber Mattings and Rugs—hygienic, odorless and durable. The demand for dainty yet inexpensive rugs and carpets is fully met in the soft and harmonious blending of colors shown in this season's "Hofi" Mattings—tans, browns, greens and blues.

The "Kaba" Rugs—a combination of wool and fiber—are the most artistic and durable low-priced rugs on the market and possess an individuality not found in the more costly rugs. The "Art Moderne" designs in browns, tans, reds and greens are the features of this season's showing.

"The Malleable" Range

represents the highest development of range construction in the world. It weighs more in the same size than any other range on the market, but there is a reason for every extra pound of iron and steel used in its construction. It means strength where strength is needed, long life, superior cooking service and greater economy in fuel. We will be glad to show you its many distinctive and superior features. The Basement Dept.
