

TEAMS LOOK GOOD

McCredie Pins Great Faith in His Two Clubs.

EXPECTS TO GET SHINN

Owner of Portland Baseball Nines Confident Secretary Farrell Will Return Coast League Player to Him.

Judge W. W. McCredie, president of the Portland Baseball Club, came over from Vancouver yesterday for the purpose of fanning while before he goes to Seattle on Monday to hold court at that place for Judge Hunt.

Speaking of baseball and the prospects for the season, Judge McCredie said: "I look for the greatest year Portland has ever had in baseball. Continuous ball is not going to prove a failure, for we will have two first-class clubs, and expect to maintain each of them near the top in both leagues."

Walters team has already demonstrated that it possesses class, and we have no fears on that score.

"This man Armbruster is going to prove the best catcher in the league. He realizes that he has been his own enemy in the past, and he writes me that he has determined to go back to the big league again. Chasley Street did it, and I believe Armbruster will do likewise. At any rate, we have promised to assist him to the best of our ability. If he keeps faith with us, Murray is also a good man, so we are well supplied back of the bat. I really believe Walter has a splendid team this season, a better one than last year."

"As for Casey's team, some fans have asked me if I did not believe it to be weak, but I do not believe it is by any means. Just now it is merely in practice, and has not played any games like the Coast league, and therefore the fans do not realize how good it is. Wait until Casey has played a few games and watch them warm up to this bunch. I have picked out players of merit, and I think they will give us the goods. However, we are prepared to replace them within a week with other players at any time they fall down, and we do not depend upon the Coast League club to do so, either. Walter has options on several players, and these may appear at Medford before the training period has expired. Catcher Beaumont is on the way, and his fellow Harrigan appears to be a likely chap."

Last night Judge McCredie received a telegram from Charley Graham, announcing that Catcher Beaumont was stranded at Sacramento, having had his railroad ticket stolen en route. Judge McCredie immediately wired Graham to finance Beaumont, and to bring him through on the first train, which means that the catcher should report at Medford this afternoon in the backstop. Walter McCredie drafted from the Connecticut League for the Northwestern Club, and whose presence was somewhat in question owing to his Portland office not having been notified of his departure until two days ago. Since he is on the Coast, a great deal of worry has been dispelled.

Spalding's Official Baseball Guide of 1909 has just made its appearance. It contains the rules for 1909 as adopted by the Joint Playing Rules Committee and revised February 17, 1909.

It also contains the playing rules in simplified form; an endless mass of matter of interest to all fans; a resume of the baseball championships and series of 1908 and a biography of the players. The National and American League season of 1908 and interesting events of the season, enumerated under separate headings.

The minor leagues are given considerable space in the book, and the statistics in regard thereto are especially sought by the players in small cities.

LEISE TRADED TO ST. PAUL

Drafted by Chicago Nationals and Released to American.

MEMPHIS, Tenn., March 27.—Fred W. Leise, drafted by the Chicago Nationals from the Madison club of the Wisconsin State League, has been traded to St. Paul club of the American for Tom Needham, catcher, formerly of the New York and Boston. Chicago gave a cash consideration with Leise.

The trade is taken to mean that Manager Chance, of Chicago, has decided to let his famous backstop, John C. Kling, stay away if he wishes to, and also that all negotiations for the return of Marshall from the Brooklyn club will be called off, as Needham will give the champions their third experienced catcher.

WHITE SOX NO. 2 BEAT SEALS

Get Closing Game of Series by Score of 3 to 1.

SAN FRANCISCO, March 27.—The last game of the series between the San Francisco team of the Pacific Coast League and the Chicago White Sox No. 2, was played this afternoon. The White Sox defeated the local team. The Coast League season opens next Wednesday.

Chicago R.H.E. 1 1 1 R.H.E. 3 1 Batteries—Lange and Fayne; Eastley and Williams.

Hay Invited to Pitch First Ball.

SPOKANE, Wash., March 27.—Joseph Cobb, owner of the Spokane ball team in the Pacific Northwest League, has invited Acting Governor M. E. Hay to pitch the first ball in the opening game in this city April 17. The Chamber of Commerce will be asked to petition Mayor Moore to declare that afternoon a half holiday, and special invitations will be sent to all the members of the City Council and all the local ministers to be present at this game.

TURRET SURPRISES TALENT

Rushes Across Line and Wins Bell Stakes at Oakland.

OAKLAND, Cal., March 27.—Turret, a son of Cunard, proved a surprise by winning the Bell stakes at Emeryville today at odds of 25 to 1. Donna and Suroget, of the Gerst stable, were most fancied, with Flying Squirrel and the

MacManus pair, Rocky O'Brien and Medallion, next in demand. Flying Squirrel and Rocky O'Brien made most of the running, and 50 yards from the wire it appeared as if the last named colt would win, but he faltered when Howard hit him with the whip. The lightly-weighted Turret carried a rush and won from Flying Squirrel, which beat Rocky O'Brien a neck. The race was worth \$2460 to the winner.

COMPANY E NOW IS CHAMPION

Defeats Company C by Score of 11 to 4 in Deciding Game.

By the score of 11 to 4 Company E won the championship game of the indoor series at the Armory, defeating Company C in the deciding game. By this victory the winning company is entitled to the 50 silver cup which was put up as a prize. This cup will be presented to the victors at the inspection, next Monday evening.

Up to the fifth inning the score was almost even, Company C being in the lead by one point. At this time Company C had four points and Company E three. But in the sixth inning Company C made a blunder which did not end until Company E had made eight runs. Both teams settled down to the real thing after that to the end of the game.

There was a large crowd present, enthusiastic for the team favored. Company C was first to bat but did not score. Then Company E tried her luck with the same result. In the second inning Company C started the fireworks with a run and when Company E's turn came, it doubled that and brought in two runs. The Company C made three more, Company E made one more, then Company C went to pieces and the balloon went up.

Henderson did some good work for Company E, striking out 15 men and allowing only one man to take a base on balls. This is said to be the second in the whole season. McHale struck out seven and walked two.

The line-up was as follows: Company E—Mitch, p.; Mann, c.; Hansen, 2b.; Cameron, 1b.; Beard, 3b.; Henderson, p.; O'Donn, 2b.; Davis, 1b.; Matson, 1b.

Company C—Todd, c.; Shialer, 1b.; McHale, c.; Gonzalez, 1b.; McAllister, 2b.; Dale, 1b.; Wetlandner, 1b.; Harrison, 2b.; P. McHale, p.

SECOND CHOICE IS WINNER

Favorite for Los Angeles Fifth Behind Mary Davis.

LOS ANGELES, March 27.—Over a track that was hot and splendidly ridden by Jockey Rettig, Mary Davis captured the Los Angeles Oaks at Santa Anita this afternoon. The winner was second choice in the betting and easily demonstrated her superiority over the field that opposed her. Off in the rear division Rettig rode her nicely behind the leaders until the turnout of the back stretch, where she overhauled and passed her field and came in to win easily by five lengths.

Rose Queen, the favorite, shipped from Oakland especially for this race, finished fifth after setting a hot pace for the first half, which killed her chances.

GOODMAN CHOSEN MANAGER

Pendleton Student to Look After Oregon Football Team.

UNIVERSITY OF OREGON, March 27.—(Special.)—At the regular meeting of the athletic council, held this morning, Dean L. Goodman, a member of the junior class, was elected football manager for the coming season. Goodman's home is at Pendleton. He has good record as a student and is popular in the campus.

Charles M. Snow, a senior from Portland, was elected manager of tennis, and Harper Jamison, a junior from Portland, was chosen as assistant baseball manager. Cecil Espey, a sophomore from Oysterville, Wash., was elected assistant track manager.

The selection of an assistant football coach was referred to a committee which likely that some Oregon graduate will be chosen.

MANY RIDE IN CHASE

HUNT CLUB AFFAIR IS UNUSUALLY POPULAR.

First Amateur Event of Season Attracts Delightful Outing for Horsemen.

The first amateur paper chase of the season was held by the Portland Hunt Club yesterday afternoon, and was distinguished by a much larger turnout than had been anticipated. The fine day, as well as the novelty of the event, brought nearly all of the club riders into line when the signal to start was given by Master of Hounds Dr. William A. Cummings.

Even Bob McCracken, who had not ridden with the club for over a year, donned his riding clothes, mounted a charger of course selected at random along the route, and rode as though he were accustomed to that sort of thing every day. Bob is something of a wag, and during the ride he created a great deal of merriment for the others. The start was made at Mount Zion, as previously announced, and the riders followed the trail laid by the hares, A. M. Cronin and Harper Skuse. The route selected took the party up and down hill and over a beautiful piece of country and ended at the new grounds of the club at Garden Home.

On the completion of their jaunt, the riders were most agreeably surprised to find a welcome luncheon spread for them. Those who rode through were as follows: Mrs. James Nicol, Mrs. F. G. Buffum, Mrs. Hirschman, Mrs. W. L. Wood, Mrs. Harper Skuse, Mrs. Marshall, Mrs. A. M. Cronin, the Misses Anne Shogren, Harriet Cumming, Laura Cumming, Helen Wood, Mabel Lawrence, Ida Loewenberg, Sallie Leadbetter, Ella Wortman, Markham, Burns, Monroe, Gile, Honeyman, Carey, Lambert, Dooley, Monroe and Kelly, and Messrs. Robert Eldridge, Dr. W. L. Wood, Dr. Marshall, Ben Neustader, Guy Doboist, I. Larsen, W. A. Cummings, James Nicol, H. Drayton, Robert McCracken, R. B. Lamson, Murray Cronin, Harper Skuse, W. M. Davis, Harry Kerron, Harry Storey, J. W. Cruthers, Sidney Loewenberg, T. D. Honeyman and Joe Cronin.

Next Saturday the club will have their other novelty event. This will be a run for the ladies only. It will be an open event, in which all who desire may enter, and the prize offered is a handsome silver cup donated by R. B. Lamson.

The Portland Hunt Club Association, which is the organization perfected to build and arrange the new home of the Portland Hunt Club, is making great headway with the plans for the building and grounds. Actual work of construction will be started very soon, and by July the club members expect to occupy their new quarters.

Warlike Priest Captured.

FEZZI, Morocco, Monday, March 22.—Kittan, the priest who has been preaching a holy war in support of the pretender, has been captured.

CLUB STARTS WELL

Local Cricketers Have Forty-five New Members.

PROFESSIONAL COACH, TOO

M. Coppinger, Noted Liverpool Expert, Will Direct Destinies of Portland Aggregation During the Season of 1909.

With 45 new members, the Portland Cricket Club will start the season of 1909 with prospects of splendid year. The club has taken a decided impetus largely through the efforts of the president, Charles Blakely. Mr. Blakely is one of the most enthusiastic cricketers of Portland and a very generous supporter of the club.

The members have secured the services of M. Coppinger, a well-known professional coach.

The South Mount Tabor School has organized a baseball team, which will enter the Grammar School Athletic League when the season opens in about two weeks. This team expects to make a creditable showing in the coming school races. Emery Meyer has been elected captain, and Sigurd Grandahl, manager. The players are as follows: George Baum, catcher; Emery Meyer, pitcher; George Himmelbach, shortstop; Avon Cummings, first base; Frank Favell, second base; Sigurd Grandahl, third base; William Grandahl, right field; Bert Berg, center field; Ray Lyons, left field, and Westley Miller and Fred Wiltshire, substitutes.

The Woodstock School baseball team, of the Grammar School League, played a practice game Friday with the Lents Grammar School team. The former team won out by the close score of 1 to 0. In what was a most exciting contest. The boys of both teams took a keen interest in the play, and displayed a creditable knowledge of the game.

The Pacific Coast Juniors, a clever aggregation of youngsters, defeated the Red Diamonds, in a close and fast game of baseball Friday. Both teams worked hard, and the game was in doubt until the end of the ninth inning, when the Juniors had the better of an 11-to-10 argument. The team lined up as follows: P. C. Juniors. Red Diamonds. Hoff Schaefer, c.; Morris Ginty, 1b.; J. B. Manning, 2b.; Hilbers, 3b.; B. Upton, 4b.; Milky, 5b.; R. F. Reidal, 6b.; Walters, 7b.; C. F. Jameson, 8b.; Schneider, 9b.

During the winter months a considerable amount of work has been done in getting the grounds in perfect condition, and Coppinger says the Portland club will without doubt have the best playing grounds in this section of the country. This is mainly due to the untiring efforts of the captain, E. Fenwick.

The club grounds are situated at North Mount Tabor, two blocks from the Montavilla carline. All interested in the national game in England will not doubt be cordially welcomed by last year's team, and they are again available and with the assistance of several promising members, the team should be materially strengthened.

Dates are now being arranged for a number of matches, and the club expects to be visited by strong teams from Victoria and Vancouver, B. C., Seattle and Tacoma, and for the first time in many years a team from California will be here to compete with the Portland eleven. The annual tournament will be held this year in Vancouver, B. C. Portland is able to send a stronger team than ever before and the stronger they developed a great keenness among the members to obtain places on the team.

Practice has already started and preliminary matches will commence the first week in April. During this season, as last year, there will be three elevens selected from the members, who will take part in matches every Saturday afternoon, except when the club is competing with an outside team. The three teams will be captained respectively by E. Fenwick, George Shipley and W. G. Smith.

Through the generosity of Messrs. W. G. Smith, A. M. Crocker and another member of the club three valuable prizes were awarded last year to the best bowler, the best all-round cricketer and the player making the most runs in an average. Some of the club's supporters have already intimated their intention of doing the same this year.

Although interest in the club continues to grow, there is no doubt many cricketers in town who have not yet been able to obtain information with respect to the club. The secretary, J. C. Cummings, room 704 Wells-Fargo building.

3 POINTS ON FIELD GOAL

IMPORTANT CHANGE MADE IN FOOTBALL RULES.

Two Rushes Allowed Before Kick. Five-Yard Penalty for Fake Pass. New Rule About Ends.

NEW YORK, March 27.—An important change in the football rules was made by the Intercollegiate Football Rules Committee, which completed its sessions here today. In the reduction of points for a goal from the field from four to three, the object was to do so, it was said, was to prevent two goals from the field counting more than a hard-won touchdown and goal.

Members of the committee say the change will reduce the importance of a team's star field goal kickers and make it harder for a mediocre team to build a good wicket to beat out a better all-round team without a star kicker.

Another change of importance was designed to prevent confusion in inflicting penalties when two penalties had been incurred by one team for the same play by giving the offended team the right of saying which penalty should be imposed.

A change was made in the rules relating to a touchback so as to relieve some of the hardships of the team down under its goal, especially when it has been forced there otherwise than by rushing. The new rule gives the team making the touchback two rushes before the kick, while the old rule only provided for the option of kicking out or keeping the ball for a scrimmage on the line.

A rule was adopted providing that when a center fumbles or makes a fake attempt to pass the ball, his team shall be penalized five yards. Another change makes the rules provide that no penalty can be imposed to carry the ball over the line either for a touchdown or a safety. It was also provided that hereafter play must immediately stop when the referee blows his whistle for a foul.

The rule relating to the forward passes was changed to provide that the ends who are more than one foot behind the scrimmage line shall be out of play and cannot handle the ball. Heretofore the rules have contained no reference of the positions of the various players and will be remedied by its inclusion hereafter.

An official committee on the interpretation of disputes was appointed to serve through the next season. Its members are: Walter Camp, of Yale, chairman; E. K. Hall, Paul Dashiell and W. S. Langford, of Crawford, of Hartford and P. H. Davis, of Princeton, were appointed on the central board of officials in place of J. B. Fine, of Princeton, and E. C. W. Savage, of Oberlin, resigned.

REVIEW BY GOV. BENSON

THIRD REGIMENT WILL BE INSPECTED TOMORROW.

Awarding of Marksman Decorations, Inspection, Muster and Review to Form Impressive Event.

Quarterly inspection of the Third Oregon Infantry, presentation of marksmanship badges, during the range school at 908, review of the regiment by Governor Benson, and regimental drill form the important military programme that will be carried out at the big ballroom on the night. Company A will be inspected by the commanding officer, and several weeks for the event and there is every indication that the attendance will be complete.

It will be the first time that Governor Benson, the new commander-in-chief, has reviewed troops of the National Guard. Inasmuch as the new military code abolishes the military staff of Governors, the chief executive on this occasion will be escorted by officers of the line detailed for the occasion. The Third Infantry will be turned out for the inspection, and at the conclusion of the military programme will repair to the big ballroom on the upper floor of the Armory, where an informal military hop will be given by officers and men to their friends.

An impressive ceremony will be the presentation of the decorations to the marksmen who made high records during the past rifle practice season. Every company in the regiment has several expert riflemen and sharpshooters, while nearly 50 per cent of the officers and men succeeded in being decorated. Several distinguished marksmen likewise will be decorated. The winners of decorations will be called out before the regiment immediately after the review, and the decorations will be pinned on the breasts of the winners by the regimental commander, Colonel Charles E. McDowell. The decorations for the indoor baseball tournament series will likewise be given. This hotly-contested trophy goes to Company E this year.

The regiment will turn out in dress uniform. Assembly will be sounded at 8:15 P. M., and review, inspection and muster will occur immediately. Company C will have charge of the ballroom for the dance following the inspection. The galleries will be thrown open to visitors for the entire affair, and a large assemblage of spectators is expected.
