

Don't Delay

Don't wait, don't put off your intended visit to our store until it's too late, and disappointment awaits you. Saturday night was the ending of the first week of

Covell's Great Furniture Sale

and yet only the beginning of the greatest sale of Household goods that was ever offered the good people of the city of Portland. We will open our doors on the second week of this great sale promptly on

Monday Morning at 9 o'Clock

and continue daily until the last piece is sold, as we have marked our stock down to cost and below to effect quick sales, and to save you all we can we have reduced our working force and have

No High-Priced Salesmen

to talk you into something you do not want—sell you fir wood for oak, or generally mislead you, as we are positively going out of business and have only an honest straightforward statement to make to you. We simply invite you to call at our store to see for yourself. You will find all goods marked in plain figures—the old price, the same as you will have to pay any regular furniture dealer, we have left on the original tag; the new price, the Closing-Out price, the price that is doing the business, you will find in big plain figures on the YELLOW Tag. We invite you to come, to act as your own salesman, make yourself at home and generally enjoy yourself; pass all through the store—upstairs and down. We still have

Seven Large Floors

well stocked with the choicest goods—if you see anything to please you make a note of it. Call one of the salesmen and he will take your money and your order. We will ask you to make your selection carefully, as no goods will be exchanged, and as we have no office force and keep no books, goods will be sold for cash only. No goods charged or sent out C. O. D.

Hours of Sale

Store opens promptly at 9 A. M. and closes at 5 P. M. Beginning Monday, store will be closed between the hours of 12 and 1 to give our clerks a chance to get their dinner, as all last week they were compelled to work all day without eating.

Delivery of Goods

We will ask our patrons to be lenient with us on the delivery of goods, as we positively cannot promise prompt deliveries or at any special time, as we have been swamped with business and are doing our level best to fill the orders. However, we will save you a big profit on every order placed with us, and trust that this saving will pay you to overlook any shortcomings in our deliveries.

BEAUTIFUL BUST

50c Package FREE to Any Woman Who Lacks Full Development.

The great physical charm of woman is a firm, full, well-developed bust, and nothing is so humiliating and distressing as a thin, flat, underdeveloped figure. One of the leading women physicians in New York State, trying to correct the defects of her own figure, fortunately found a new principle, or rather a happy combination of nature-building elements, that brought her bust some four inches, made it as round and as a pelf, and her neck and shoulders plump and symmetrical. This powerfully acts as a real discovery, on far different lines from the ordinary, figure-developing treatment, and this explains its great success. Dr. Callaghan Kelly not only gained a beautiful form by her own prescription, but used it successfully with many of her patients. To show you who may be troubled with a flat bust, we want to send you a 50-cent package free of charge, from which you will learn that the Developer does all that is claimed for it. Women, this is a personal message from a physician of your own age, and all we ask is the opportunity to show you, without any expense on your part, that her Developer will give you a perfect figure, beautiful complexion, and improve the general health. Send the little coupon below and the free mail.
