Lipman-Wolfe & Co

The surest way to hammer success is to do something better than was ever done before; we have achieved distinction in the past through our white sales, by working consistently along these lines. This White Sale surpasses any sale we have ever inaugurated for three reasons—*First*, our stocks were never so complete and varied—*Second*, this sale is held at the very beginning of the "White Goods Season"—not at the end—*Third*, you get the choice of the very latest styles in all departments—instead of odds and ends and left overs.
