

A COZY HOME IS A CONTENTED HOME

When you can look about you and see your home comfortably and attractively furnished, leaving nothing to be desired to make the hours at home the most pleasant hours of the day, and know that it is all your own, you cannot help but feel that life is worth living—that you have filled one of your ambitions. Have you such a home? If not, nothing prevents you from possessing one. Come to us and let us show you how beautifully and inexpensively you can fit up just the kind of home you want, and how convenient you can settle the bill. We don't ask you to pay for it all at once—small weekly or monthly payments satisfy us. How about coming in tomorrow and making your selections?
