New Dining-room Furniture in Gold'n Oak

Buffets and Dining Tables in the dull finish. In the Tables are shown new pedestal designs with heavy scroll and carved claw feet. Round tops measuring from 45 inches to 60 inches. In the Buffets are a number of splendidly proportioned Colonial designs—finely-made pieces—showing perfect selection and matching of quarter-sawn golden oak. A number of other pieces are shown in the less massive designs. The wood knobs and old brass trimmings conform to the design and finish of these new pieces, and the arrangement of bases is the most practical.

Our Upholstery, Repair and Finishing Work-shops are modernly equipped
