MAJESTIC RANGE FOR USE WHERE THERE ARE CITY WATER CONNECTIONS

There is a double warming-closet at top, with drop doors, forming a strong shelf. There is an additional warming-closet below oven. MAJESTIC FREE COOK BOOK for the asking.

This is No. 844, one of the numerous family styles, equipped with pin-extension malleable-iron water front, the most powerful heater made, ready to attach to pressure boiler or other tank. Entire top, brackets, door frames and everything subject to a strain are made of malleable iron. Entire body and lower bottom, which are subject to rust, are made of old-style charcoal iron. All parts are thoroughly riveted (not bolted), making the Range practically air-tight.

DO YOUR KITCHEN WORK THE EASY WAY

If you think the Hoosier Cabinet is just a miscellaneous collection of drawers and cupboards, you are mistaken. It is more than that—it is a saver of kitchen work and it doesn't cost any more than the ordinary cabinet. Come in and let us show you the Hoosier way of doing kitchen work—it's an easy way.

THE average young man finds it mighty hard to save enough out of his salary to pay cash for his home furnishings when he comes to get married. And that lack of ready money is a mountainous difficulty that stands between many young married couples and the sunshine of home happiness. Others surmount that mountain of difficulty by taking advantage of our helpful part payment plan. Won't you? You can select the goods now and have them set aside until you're ready for them. Payments of course would not begin until 30 days after the goods are really delivered. We would arrange the terms to suit your convenience—your pleasure. This would enable you to "begin right"—to have a complete and attractive home and yet not be inconvenienced in the least in paying for the goods. We're helping hundreds of young couples to establish pretty homes this Spring. We'd like to have you among the number.

THE DIRECT ACTION GAS RANGE IS THE BEST BECAUSE

It has no oven bottom to burn out. No Flue Walls to generate moisture and rust out. No Dangerous Pilot Lighter to cause explosions. Does not heat oven when you broil or toast. Does not heat broiler when you bake or roast. Broiler fire in plain view when broiling or roasting. You open the oven door to light the burner, place the baking in without waiting thus saving gas, there being no oven bottom or flues to heat.

All our Gas Ranges are connected Free of Charge. All the leading styles and makes of Gas Ranges are displayed on our sample floor. Prices are guaranteed to be the LOWEST.

The body of the range is coated with baked enamel, has double corrugated asbestos between it and the steel lining which is aluminized. This prevents rust, retains the heat and makes it easy to keep clean.

No stove polish required, simply wipe with cloth.

This elevated oven is 20x20 inches. It has abundance of room for the kettles. The broiler, 20 inches above the floor, is below the cooking surface, which is 30 inches high. Prices from \$15.00 up.
