anything to apologize for, he refused to do so, and thereupon orders were given by Superintendent Turner to Professor Melike to mete out punishment. The boy then went home under the belief that he was suspended. Upon this point there is a variance of opinion as to just what was said. The School Board is taking a firm stand in favor of the faculty, while the student body, of which Richey was president, is in full sympathy with him and the students have gone so far as to demonstrate their feelings in the matter. On account of the trouble, part of the commencement exercises have been eliminated. Public sentiment is divided, but there is a conservative element that is apparently with the faculty and board of directors. James Richey, father of the boy, came down from Portland and with his attorney they have attended the evidence which has culminated in court proceedings. Professor Turner has been superintendent of public schools of this city for five years. Professor Melike, principal for a year and a half, while Miss McCormick is serving her first year.

WHOLE TOWN IS AROUSED Grants Pass Pupil Causes Dispute as to Whether or Not He is Suspended and Court Charges are Made Against Principal.

GRANTS PASS, Or., May 22.—(Special.)—Professor Melike, High School principal, and R. R. Turner, city superintendent of the public schools, who are charged with assault and battery upon Roubal Richey, High School student, were arraigned today in the Justice Court and trial set for Monday. The difficulty over which the controversy has arisen started last Wednesday a week ago, when it is alleged that Richey, while doing class work in Miss McCormick's room in the High School, created a disturbance with a rubber and pencil, to the annoyance of the class and teacher, whereupon he was ordered to put away the pencil and desist or leave the room. He chose the latter. That afternoon in another recitation the same thing occurred, so it is charged, and this the teacher resented by ignoring his presence in the class.
