HAINS ONLY PAID HIM \$600

Lawyer Grows Furious at Questions
About Income—Spends Money
as It Comes, Grabs All
He Can Get.

NEW YORK, May 29.—(Special.)—Daniel O'Reilly and Joseph S. Buhler, the lawyer who was examining him, almost came to blows in the City Court today while Mr. O'Reilly was testifying in supplemental proceedings as to his ability to pay a bailor's bill for \$3500 contracted by his wife. The question that seemed to anger Mr. O'Reilly was this:

"Where are you now living?"
"At 19 West One Hundred and Thirtieth street," answered Mr. O'Reilly, promptly, and he added, "with my wife. You thought it might be somewhere else, didn't you?" continued Mr. O'Reilly, addressing Mr. Buhler. "Well, your questions are insulting—positively insulting."

Thaw Owes Him \$25,000.

"Do any of your clients owe you?"

"Yes, Harry Thaw owes me \$25,000 for services rendered at his last trial."

"And you can't get it?"

"No."

"What did you get for your services in the first Thaw trial?"

"Thirty-five or forty thousand dollars."

"What was your retainer in the Hains case?"

"Spends Money as It Comes."

"Well, I asked \$1000, but didn't get it."

"How much did you get?"

"I think I got \$600 from General Hains on one occasion, then, on another, I received \$250 from him. That was all he had."

"What did you do with the money?"

"Spent it. I never keep books—spend my money when I get it."

"How do you pay your expenses?"

"Going along, grabbing anything I can," replied Mr. O'Reilly, blinking his eyes indignantly.

PATTEN CLOSES DEAL

(Continued from First Page.)

Smelling the turbulence of the sessions of previous months, Patten was not one of them. He sat in his office facing the blackboard, chewing vigorously at a quid of gum, his hat pushed back on his head and his eyes fixed on the quotations of opinions other than May.

Patten Consistent to End.

According to his friends, he remained consistent with his assertion that he had no wish to manipulate prices but only to secure the legitimate profits of his foresight. He backed his judgment that there was less wheat in the world than was generally believed, and found himself in control. Wall street sold short, as did some influential western speculators, but Mr. Patten stood firm. He took a vacation at a critical period of the campaign and ignored a decline of 12 cents that followed his departure from Chicago. That loss was more than recovered, for it was only a few days ago that the cereal sold at \$1.30, the highest price in 11 years.

The battle is not over yet, for the bulls and bears are still divided as to whether empty bins will be replenished by the July harvest.

TREMENDOUS YIELD EXPECTED

Whitman County Estimates Harvest of 13,000,000 Bushels.

COLFAX, Wash., May 29.—Whitman County ranchers are happy since the abundant rains of the past two days. The average rainfall for the county is better than one inch. The farmers predict, from present outlook, that all records will be broken in the yield of wheat, oats and barley. The acreage in the county is about 20 per cent greater than before.

Conservative warehousemen estimate that the yield of wheat for Whitman County may reach 13,000,000 bushels. The 1907 crop was over 10,000,000. The 1908 crop fell to 7,270,000 bushels. Fall wheat in Western Whitman County is commencing to head out and a full crop is assured. A record wheat crop was the chief topic of conversation among the many farmers at Colfax today.

Representatives of the Milwaukee Railway at Colfax today stated that new warehouses at all points along their new line in Whitman County would be rushed to as to be completed for the fall crops.

GRAIN MAKES GOOD STAND

Acres in Union County Has Been Increased 30 Per Cent.

UNION, Or., May 29.—(Special.)—The wheat yield has not been so promising for many years. Fall wheat is well advanced and promises an excellent crop. There is an increase of at least 20 per cent over the acreage of last year in this portion of the Grand Ronde Valley. Rain has been falling for the past 24 hours and still continues. With the exception of peaches and early cherries, the fruit yield will be good. Gardens are doing nicely in spite of the cold dry spring.

RAIN BENEFITS LANE CROPS

Soaking Showers Worth Thousands of Dollars to Farmers.

EUGENE, Or., May 29.—(Special.)—The rain which began falling this afternoon and which came down continuously during the whole evening means thousands of dollars to the farmers of this section. The light rains of the week have been beneficial and the cool weather has prevented considerable loss that would have resulted with much sunshine. It is believed that tonight's rain is general over the county, and hard enough to do good.

Heavy Rain in Sherman.

MORO, Or., May 29.—(Special.)—Heavy rain fell in the southern part of Sherman County yesterday, and the grain fields are soaked to a depth of four inches. Heavy showers in Moro and Wasco today broke a dry spell of 25 days and assured a big crop of wheat.

Presbyterians Decide on
Number of Communicants.

SEND FEWER DELEGATES

General Assembly Will Submit Question to Presbyterians—Two Missionaries Who Love Blue Laws Dismissed.

DENVER, May 29.—The 121st General Assembly of the Presbyterian Church came to a close this afternoon after a quiet session in which routine matters were disposed of and a vote of thanks extended to Moderator Barkley and other officials.

As was indicated by the opening action, the minority report of the committee on church policy recommending that the reduction of representation in the assembly be approached on a basis of church membership instead of the number of ministers was adopted and the presbyteries for action. Should this plan be accepted, the presbyteries will be further asked to ratify the proposition that 6000 communicants be the basis of computation.

In the morning session Atlantic City was decided upon as the next place of meeting.

The committee on policy practically dismissed James and Alexander Waite, missionaries in North China, because they had criticized the other missionaries who, it seems, were guilty of nothing more worldly than playing tennis at the same time. They therefore asked the assembly to discontinue the playing tennis. Their request was a boomerang, however, for the committee on church policy, in a report, commended the religious zeal of the Waite brothers, but suggested they might do better in another field of endeavor, and recommended their discharge of residence. The report was adopted.

PASTOR HAS NEW CHARGE

Rev. Walter I. Eck Recalled by Vancouver Lutheran Church.

VANCOUVER, Wash., May 29.—(Special.)—Rev. Walter I. Eck will be recalled as pastor of St. Paul's English Lutheran Church in this city tomorrow evening at 8 o'clock. Rev. T. Allen Lenz, of Portland, president of the conference, will deliver the charge to the congregation, and Rev. W. C. Drab, field secretary of the Pacific Synod, will deliver the charge to the pastor.

Mr. Eck was pastor of the Lutheran Church in this city some years ago, but ill-health at that time compelled him to resign and go East. When Rev. W. C. Drab, who has been pastor of the church for the last two years, resigned to accept the offer of the field secretaryship of the Pacific Synod, the congregation at once offered the pastorate to Mr. Eck, and he accepted.

The business men have been solicited and many stock subscriptions received. The engineer has everything in readiness to start on the work of surveying for a line from Coos Bay to Roseburg, and has only been waiting for the financial feature of the project to be arranged. The proposed route has not been announced.
