BY W. J. PETRAIN.

Vic Holm, the clever Spokane slab artist who was victorious in that 15-inning battle last Monday, was not so fortunate yesterday, for his teammates failed to solve Tom Seaton often enough to score runs, and Bobby James contributed a bad heave to first in the second inning which resulted in Garry's registering the only run of the game, Portland winning, 1 to 0.

It was a fast and snappy game. Seaton kept his hits well scattered and such of Holm's offerings as were found for safety counted for absolutely nothing, which shows what one little bungle will sometimes do to a well-played ball game.

Despite the pitchers' battle, the game was full of enlivening features, which kept the crowd on edge most of the time. Fans would have liked to see a few more base hits than were allowed yesterday, but the outfield catches made by Burnett, Brinker, Bassey and Adams helped the enthusiasm a whole lot.

Jack Clynes opened the first inning with a pretty drive to right, but after Altman had gone out on the third bunted strike, Clynes tried to get away from Tom Murray's wing, but failed by several yards. Weed ended the inning with a pop-fly to Casey.

Only Score in Second.

There was nothing doing for Portland in the first, but Charles Mullin, opening the second, buffaloed Holm into extending a ticket. Garry's rap at Altman forced the redtop at second, but the big fellow arrived safely at first. Billy Staton bounded one at Bobby James, who wobbled before reaching the ball, and when he finally got his hooks on it he tossed wildly to Connors, and Garry took a long chance and went all the way home, Staton taking second on the play at the plate. Adams' line drive was caught by Burnett, who doubled Staton before he could get back.

That was all in the scoring line for the game, though Spokane was often threatening, and in the seventh had men on third and second, and only one down. At this juncture Seaton showed his class by fanning Holm and Clynes, ending that glimmering hope of the Indians. Burnett opened that inning by getting life when Mullin dropped a thrown ball from Staton. Spencer sacrificed, and Casey ordered Seaton to walk Brinker, who went into the game when Bob Brown was spiked by Mullin in the second inning. Seaton lost control, and his wild pitch advanced Burnett and Brinker. After that episode he pulled off his fanning bee, and Spokane was runless.

Garry Saves Day in Ninth.

In the ninth inning another pretty piece of work probably saved the day. Buck Connors opened the inning with a corking drive to center, but Garry placed himself in front of the bound, and the big fellow got no further than first. Seaton fanned Burnett, and Murray relayed the third strike to Mullin, getting Connors on a double play that aroused considerable enthusiasm. Spencer ended the game with a fly to Bassey.

The teams are now even on the series, each having won three games, and Casey will try to make it four out of seven today. Guyn or Gough will do the pitching for Portland, while Spokane will rely on either Wright or Killilay. Brown intended to use his clever southpaw, Gregg, Sunday, but the young fellow sprained an ankle in practice the other day.

The official score of the game is as follows:

PULLMAN DEFEATS WHITMAN

Washington State College Athletes Score 99 in Track Meet.

WASHINGTON STATE COLLEGE, Pullman, Wash., May 29.—(Special.)—Dan Kelley's record of 9 2-5 seconds in the 100-yard dash was equaled by the time credited to Jack Nelson, the crack sprinter of the State College, when he defeated Martin, of Whitman, here today. All three watches caught Nelson's time at 9 2-5. The timers were Professor Charles Timblin, of the faculty athletic committee; Manager Wexler, of the track team, and J. W. McCausland, all of whom have had years of experience with the stop watch.

Nelson did not exert himself much in the 220-yard dash, but defeated Martin in the time of 22 1-5 seconds.

Washington State College easily won the meet from Whitman by the score of 99 to 23 points. Whitman secured one first in the pole vault, while the State College took all three places in the half mile, the mile, the broad jump, 440-yard run and the hammer throw. Cooil, the Pullman distance man, ran his first half mile in the college meet today, winning it easily in 2:00 2-5, one-fifth of a second slower than the Northwest record. He had no opposition in the mile, which he ran in 4:36. Whitman conceded the relay to Pullman.

Chehalis Takes Revenge.

CHEHALIS, Wash., May 29.—(Special.)—The Chehalis High School baseball team had revenge on the Hoquiam team for the defeat which the latter gave them about a month ago, when Chehalis visited the harbor. In an interesting game at Millett Field the locals defeated Hoquiam High by a score of 10 to 9. Murphy pitched for Chehalis and Witting caught. For Hoquiam Bemis pitched and Hunley caught.

PRIZE ROGUE RIVER FISH TAKEN BY JOE WHARTON.

GRANTS PASS, Or., May 29.—(Special.)—A beautiful 85-pound specimen of salmon was caught with hook and line yesterday morning by Joe Wharton, a local sportsman, who used a six-ounce fly rod with No. 1 brass spinner. Many fancy catches are made each year in Rogue River, but it is believed that this is the largest one ever caught in this manner. In its mad pursuit to snap the line the salmon churned the waters of Rogue River from the White Rock ripples, opposite City Park, to the foot of Sixth street, where it was landed after an exciting chase down stream.

BIG CARS TO CLIMB HILL

Giants Despair Contest to Be Held on Monday.

NEW YORK, May 29.—What will undoubtedly be the greatest hill-climbing event of the year will take place at Wilkesbarre, Pa., on May 31, when the local automobile club will hold a National climb up Giants Despair Mountain. Last year 60,000 spectators witnessed the event and the managers expect that the affair will draw a crowd of 100,000 spectators.

Some of the stars who will perform are David Bruce Brown with the Benz, with which he scored such a string of victories lately; Ralph De Palma, the famous Fiat driver, at the wheel of the fast Fiat "Cyclone"; Albert Dennison in the Knox "Giant," Vanderbilt cup car; a Matheson, the Chadwick "Six," which holds the record for the hill (1:38 2-5 for the 1 1-16 miles course), and the Corbin, which won the first leg in the Hollenbeck trophy contest last year. A couple of Nationals, which made such splendid time at the Fort George climb; a Simplex, some Buicks and other well-known makes will make things hum Monday.

Fandom at Random

WELL, we can "Yip-Yip" a few for one day anyhow, for both teams pulled out winners yesterday.

* * *

"Speck" Harkness has pitched four losing games on the road, and should have won all of them. He put one over on San Francisco yesterday, and the string did not break.

* * *

Tom Seaton is one of the most capable young pitchers developed on the Coast in years. This boy has the physique and all that goes with big league timber.

* * *

Vic Holm, the Spokane twirler, is something of a classy pitcher himself, but he had bad luck in one inning, and that lost him the game.

* * *

The Portland fans have only two more chances to see this Spokane man play ball until they return again in the Summer. Bob Brown has a fine team, and deserves better support. Still the weather has been very bad for baseball.

* * *

Two games will be played tomorrow. The first will be called at 10:30 A. M. and the second at 2:30 o'clock in the afternoon. It is up to Portland to show the other Northwestern towns something in the attendance line.

* * *

Big Jack Burnett robbed Red Mullin of a three-bagger by pulling down his long drive in the ninth. Dode Brinker robbed the red-head of a double earlier in the game, which shows how unfortunate the big fellow is of late.

* * *

Los Angeles has defeated Oakland in four straight games, and Oakland does not seem to be able to score against the Angel band. "Ginger" Bill Reidy needs to use a little ginger on that team.

* * *

Seattle made it five out of six from Aberdeen yesterday, and thereby made a wider gap in the distance between Spokane and the lead. Possibly Aberdeen may win one more game, which is about the average number of wins against Seattle.

* * *

Sacramento and Vernon have made enough runs during the present series to last them both all season. The Northwestern League teams have not made that many runs in two weeks.

"Speck" Harkness allowed but three hits yesterday. The tall young fellow is some pitcher when he is not too wild. He will be like honey in the comb before the season is over.

SWEDE WINS MARATHON

SVANBERG AHEAD AT CHICAGO, ST. YVES DROPPING OUT.

Frenchman's Blistered Foot Is Swede's Pass to Victory, Longboat Giving Up.

CHICAGO, May 29.—John Svanberg, the Swedish champion, won the international Marathon Derby today against a field of eight of the world's best long distance runners. The champion's time was 2:48:11 1-5. This was more than eight minutes slower than Henry St. Yves' time in the New York Marathon.

St. Yves led the race today until the 15th mile was passed, when he was forced to drop out on account of a blistered foot. St. Yves was 56 seconds ahead of Svanberg. The Swede passed him in a sprint and St. Yves fell. It looked as though Svanberg had tripped the Frenchman, but St. Yves explained after he had limped off the track that he could not have run further anyway.

Johnny Hayes finished second in 2:52:57 2-5. Fred Appleby, an Englishman, finished third in 2:61:07 2-5.

After the accident to St. Yves Svanberg kept the lead until the end. Tom Longboat, the Ojibway Indian, dropped out of the race after the 14th mile. He explained that he felt the effects of an old sunstroke and did not dare run any more. The other finished as follows: Matt Maloney, fourth; Simpson, the Canadian Indian, fifth, and Alexander Thibeau, the Chicago amateur, who turned professional for this race, last.

WASHINGTON, May 29.—In a bill which gives the Federal Government jurisdiction over the protection of migratory birds, such as ducks, snipe, plover and pigeons, in those states in which the birds do not remain the entire year, Representative Weeks proposes that the Department of Agriculture shall establish regulations fixing close seasons during which it shall be unlawful to shoot, kill or capture migratory birds.

There are 16 three-room apartments and four two-room. Each apartment is equipped with two of the latest improved folding beds made from special designs, gas range, refrigerator and dumb waiter. The bathrooms have Barolith floors, tile wainscoting and elegant fixtures. The dining-rooms are paneled and have plate rail and built-in china closets. Each apartment contains three large closets with ventilators which run up through roof and other features not seen heretofore in an apartment-house. They are heated by steam and equipped with an automatic electric elevator, and provided with private telephone in each apartment. In fact no expense has been spared to make them as homelike as possible. The apartments were completely furnished by the well-known house of I. Gevurtz & Sons, of First and Yamhill streets.
