

MAZAMAS SCALE BAKERSOON

Peak Is Objective Point of Climbers for Outing in August.

HIGH DIVIDE, CAMP SPOT

Rainier, Shuksan and the Cascades in Full View—Trip Open to All—Regulations to Govern the Excursion.

Mount Baker has been chosen by the Mazamas as the objective point of this year's outing and climb, August 2 to 16.

In the outing of 1908, the Mazamas camped on the northeast slope of Mount Baker and in some degree explored its eastern slopes.

Citizens Open Roadway.

Three years ago Bellingham citizens not only entertained the Mazama party that visited Mt. Baker, but they donated \$800 with which to open a trail to timberline at Mazama Dome.

It is seldom that a Mazama outing starts out so long beforehand with so much anticipation and pleasure.

Last Chance at Deming.

Whoever occasion requires, as in the case of climbing mountains, it is to be distinctly understood that whatever arrangements are made by the committee must be implicitly followed.

Rules for Outing Party.

The rules and regulations governing the trip are:

When camped on running streams, bathing and washing in such streams must be done below camp, so that water for general camp use may be obtained at the camp.

Members of the outing party must exercise the greatest care in lighting individual campfires, and every precaution taken to extinguish them when leaving.

WEAK MEN

Come to Me Now and Be Cured Quickly and Permanently

DR. TAYLOR, The Leading Specialist.

You Can Pay When I Have Cured You

Bear in mind for twenty-five years I have made a specialty of the half-dozen ailments peculiar to men. I do not dope the stomach with powerful drugs, as do other specialists.

In any diseased condition Nature needs help. The right kind of medicine applied TO THE CENTER OF DISEASE will assist Nature in overcoming inflammation and congestion, strengthen and REVITALIZE diseased tissues and soothe and heal, where barbaic drugs taken internally would merely impair the digestion, deplete the blood, weaken the vital functions and produce general havoc throughout the system.

CHOOSE THE RIGHT SPECIALIST

The most important thing for you to do, if you are an ailing man, is to seek the services of THE RIGHT DOCTOR. Don't go to the first one you see, simply because he happens to be a physician.

WHAT "WEAKNESS" IS

Weakness in men is due to a diseased condition of the Prostate Gland. The Prostate Gland is a subsidiary, but nevertheless a very important nerve center. Inflammation of this gland is therefore a serious matter.

Why the Diseased Prostate Causes Weakness

The reason weakness results from the diseased prostate is because of the waste of nervous energy. In case of disease, nature attempts to correct the trouble and forces functional activity by sending to the affected region a greater quantity of nervous energy than is required in a healthy state.

A BANKRUPT NERVOUS CONDITION

The case is parallel to that of a run on a bank. In the beginning the bank may be perfectly safe and solvent, but if its depositors make a run on it its resources, long enough, it must surely suspend payment and cease business.
