What a busy week—the first of **Our Great Chair Sale**—has been! Our store has been crowded all week and many customers had to resort to the phone in order to place their orders. Why this rush? The public knows full well that anything advertised under the name of "**Powers**" will be found on the floor and will be exactly as represented in print. Coupled with these really remarkable values was the offering of credit at the same price, and terms to suit the buyer. Is it any wonder then, that our **Chair Sale** was such a very great success from the beginning?

We begin the second week of the sale with even bigger stocks as during the fore part of the week we received several carloads of chairs from the factory. These have been unpacked and are on sale at such low prices that those who come will buy quickly, gladly and willingly at first sight.

Remember: It takes but little money to buy here—The price is the same, whether you buy for cash or credit—and we make the terms to suit you.
