ILLINOIS GAINS VICTOR'S LAURELS

Stanford Good Second in Intercollegiate Track Meet of West.

HAS MOST SINGLE STARS

But Illinois' Well-Balanced Team Clinches Success With Relay Race—Several Brilliant Stanford Triumphs.

MARSHALL FIELD, Chicago, June 5.—The University of Illinois captured the western track and field championship today by winning the ninth annual conference meet, with a total of 36 points. Leland Stanford was second with 28 points and the University of Chicago third with 21 points. Following are the scores of the other teams:

Wisconsin 12, Purdue 6, Minnesota 6, Michigan 5, Colorado 5, Western Reserve 4, Miami 4, Indiana 3, Notre Dame 3, Knox 1, Iowa 1, Northwestern, Ripon, Lake Forest and Beloit failed to score.

Relay Clinches Victory.

The Illinois team was by far the best balanced aggregation and clinched the meet by winning the relay race from Chicago. When the relay race was started, Illinois had 31 points, Stanford 28. A victory for the Pacific Coast athletes would have swung the championship to Stanford, but the first two runners, Stoltz and Scott, dropped so far behind that it was impossible for the speedy Miller and Wyman to put the team back into the race. Illinois scored in all but four of the 15 events on the programme. Leland Stanford's men had more individual stars than any other team, as they took five firsts. Stanford won the 440-yard dash, the half-mile, the pole vault, the hammer-throw and the shotput.

Two Leland Stanford athletes—Crawford and Miller—won individual honors with 10 points each. Crawford won the shotput and hammer-throw, while Miller captured the quarter and half-mile runs.

No records were broken. Crawford came within 2¼ inches of equaling Ralph Rose's record in the shot-put, when the Stanford man shoved the weight 46 feet 10 inches. Another good performance was recorded by Miller, of Stanford, when he ran the half-mile in 2:00 3-5.

Chicago Boom Plays Out.

Chicago stock took a tremendous boom in the early part, when Strube scored an unexpected victory in the 100-yard dash in easy fashion in 10 1-5. His teammate finished third, and this gave Chicago six points in this event. Chicago was in the running until the two-mile run was decided. Stoplet, its star distance runner, was counted upon as a certain winner in this event. Stoplet took the lead, but Tillotson, of Michigan Agricultural, at the beginning of the sixth lap jumped to the front and won the race by a large majority.

The quarter-mile run was easy for Miller of Stanford, but Hanley, the captain of the victorious Illinois team, nosed out Wyman of Stanford for second place. The half-mile was another feather in Miller's cap, as he easily defeated Hull of Minnesota and Roher of Illinois.

The pole vault was another Stanford triumph, Scott taking the honors. He vaulted 11 feet 10 inches and tried to do better in an exhibition after the event, but failed. Rogers, of Chicago, and Graham and Jones, of Illinois, tied for third. Summary:

GOSS GETS TENNIS TROPHY

Rosenfeld Beaten in Finals for Handsome Wilbur Cup.

By defeating Walter Rosenfeld in the finals of the Irvington tennis tournament yesterday afternoon, Walter A. Goss won the handsome trophy known as the R. W. Wilbur cup offered the club for the winner of the tournament in the men's singles. A large gallery of tennis enthusiasts witnessed the match and saw some of the best tennis ever played on the Irvington courts. Goss played his usual steady game and it was his head work that won from his opponent after losing the first set.

Rosenfeld's play in the first set was classic tennis also and the way he passed Goss at the net was a revelation to those who realize the difficulty of this feat. Judging from the day's play it is certain Rosenfeld will be heard more of before the season is over.

In the ladies' singles for the S. P. Lockwood cup, Miss Campbell defeated Miss Fording in two straight sets by the score of 6-3 and 6-1, and in doing so played a fine game. She managed to take all the chances afforded her in the handicap given by her opponent and is the recipient of congratulations for the tennis she played all through the tournament.

In the men's and women's doubles, Miss Goss and Mr. Wakeman beat Miss Schafer and Mr. Wilder in two close sets by the score of 7-5 and 7-5. Miss Goss played a great game and was ably assisted by her partner who with practice is expected to become a brilliant player.

In the finals of the ladies' doubles Mrs. Cook and Mrs. Northup were defeated by Miss Campbell and Mrs. Judge. The first set was very close and exciting, Mrs. Judge and Miss Campbell winning 7-5. They then annexed the second set and match, 6-1. Miss Campbell played a very steady game and was well supported by her partner.

In the men's doubles Goss and Wickersham proved too strong for Harrigan and Warriner and after three close sets won out by the score of 6-4, 7-5 and 6-4. Warriner played a great game for the losers and on many occasions had both Goss and Wickersham completely baffled.

The results follow:

Goss o 40 beat Rosenfeld o 5-6, 4-6, 9-7, 6-4, 6-3; Miss Campbell receive 15, beat Miss Fording o 30, 9-7, 7-9, 6-4; Goss and Wickersham o 40, beat Harrigan and Warriner o 3-6, 6-4, 7-5, 6-4; Miss Goss and Wakeman receive 3-6, beat Miss Schaefer and Wilder o 15-3, 7-5, 7-5; Mrs. Judge and Miss Campbell receive 3-6, beat Mrs. Cook and Mrs. Northup, scratch, 7-5, 6-2.

AGREE ON ARBITRATION

M'CLOUD COMPANY AND ITALIANS READY TO SETTLE.

Strikers' Only Condition Is That Leaders Be Released—Consul as Peacemaker.

M'CLOUD, Cal., June 5.—President J. H. Queal, of the McCloud River Lumber Company, consented today to submit to arbitration the differences between the company and the 600 striking Italian laborers. At a meeting of the strikers it was decided to accept this offer only on condition that their leaders now under arrest be released and permitted to leave the camp.

It is believed that, with the arrival tomorrow of Consul-General Rocca from San Francisco a settlement will be effected quickly, as the Italians are disposed to follow his advice, and the company seems willing to pave the way for a fair adjustment of the difficulty.

Shortly before noon today, Adjutant-General Lauck placed a skirmish line around the Italian camp to prevent any one from escaping, under arrest.

Despite the presence of troops, an attempt was made, late yesterday afternoon, to compel the Italian laborers on the ranches of the McCloud River Lumber Company, to quit work. Several shots which hit no one caused the strikers to desist and scatter. The teamsters at logging camp No. 2 have quit, refusing to work with the Greeks, who have been imported to take the place of the strikers.

TRAIN HAS CLOSE CALL

Seven Coaches Derailed on Bridge Approach by Freak Accident.

BAKER CITY, Or., June 5.—(Special.)—Had it not been for a strong steel pillar on a railroad bridge between North Powder and Telocasset, several passenger coaches of train No. 6, on the O. R. & N. that was due in Baker City at 8:30 this morning, would be lying in the creek bed and doubtless the number of dead and injured would have been great. When the train pulled across the bridge this morning shortly after 7 o'clock, for some unaccountable reason the trucks of the tender left the rails and fell into the creek.

The engine remained on the track, but seven passenger coaches were derailed, and the occupants, while not injured, were given quite a shaking. Trainmen cannot account for the accident. Wrecking crews were at work in a short time and the tracks were cleared about 3 o'clock this afternoon. Passenger train No. 7 bound for Portland, was detained at Haines until late this afternoon on account of the wreck.
