

# Gadsbys' Have Solved the Credit Problem

The trouble with most people is that they think money is the only thing in the world and that because they have but little of it they are helpless. - So few stop to consider that their honesty and enterprise count for something—that those qualities are an asset, substantial and real. We feel that an industrious and enterprising man is worthy of our fullest confidence and entitled to our most generous credit. We give it freely—and what's more we make the terms of payment easier than any housefurnishing institution in Portland. We allow customers nearly two years in which to settle for their purchases. We charge nothing for the accommodation—no interest, no extra of any kind. It's a plain open account plan; you pay a little each month as you find it convenient. It's thoroughly pleasant and dignified—convenient and helpful. YOU are welcome to enjoy it.

**"A HOME OF ONE'S OWN MAKES A MAN HUMAN"**

Some great writer has said, and when you gaze on such scenes as the one pictured here, you cease to wonder why. This is a room in a four-room flat on the East Side. Instead of the old-fashioned parlor, the young couple have turned this room into a sitting-room, living-room and library. And you would be amazed to know how little it cost them. You would be still further surprised to know that this young man works in a downtown railroad office at \$65.00 per month. He began with one of our \$100.00 four-room outfits, and later on he added such odd pieces as he and his wife desired. Just

now it is one of the coziest places on the East Side, and they are both supremely happy. When they were first married they lived in a boarding-house. One of our advertisements attracted them, with the result as you see above. Now such a home is just as easy for YOU as for them. If you have hesitated about getting married because you couldn't afford a home, don't hesitate any longer. We will put up such a home for you and help you in any way that will give you what you want and at the time you want it. It pays to trade at Gadsbys'.
