HEAVY CARS CRASH; FIFTEEN ARE DEAD

COLLISION ON TROLLEY ROAD INJURES 25 OTHERS

Cars Meet at Vermont Bound for East From 12th Ave. and Oregon Kill Them.

PHILADELPHIA, June 19—Twenty-five people were killed and at least 150 injured, mostly children, when a north-bound street car and a south-bound trolley collided on Broad Street near the Vermont Avenue crossing today. The death toll is the highest recorded in the city's history.

The accident occurred at theeleventh hour, when most of the students were just starting home from school. The street car was being used by the public as a school bus, and the trolley was carrying children from the city's public schools.

Barn Fire is Government

Five Men and 25 Horses Burn to Death in Granbury

In Granbury, five men and 25 horses were burned to death in the town's barn yesterday. The incident occurred when the barn caught fire, and efforts to extinguish it failed.

The men were working on the farm when the fire broke out, and they were unable to escape. The horses were trapped inside the barn and perished.
