Save Money by Joining Our Sewing Machine Club

Buy a first-class sewing machine, the sort illustrated in this cut; and by joining our club of 200, pay only \$1 a week. The machine costs you less than half what you'd pay an agent for the same grade, and you get it on even easier terms. Here is how we do it: There are 200 machines in a car—we form a club of 200, charging each member \$5 admission fee, and giving them credit for the membership fee on the purchase of the machine—**AND DELIVER THE MACHINE AS SOON AS MEMBERSHIP FEE IS PAID.** The dues are \$1 per week. As soon as you have paid in the balance of the price for your machine, you resign from the club, and the machine is yours. Thus we make you low prices and easy terms, and we expect to sell many, many carloads before the year is over. We've an expert sewing machine demonstrator here—one who can show you how to do everything that the machines are meant to do, and she'll be glad to show you, too. It doesn't matter what price machine you choose, this same offer applies to all grades. This offer includes our Olds, Wortman & King Improved at \$26, besides this, we have the Favorite at \$18, and others at \$32.50, \$35 and \$40 apiece. A rare chance to save and to buy one on easy payments. Surely you won't be without a sewing machine.
