

"Jewel" Ranges Are "Built So" as to Save You Money

Jewel Steel Ranges combine every feature of practical utility with superior construction and workmanship. There is no "sham" about a "Jewel." They will bear the closest inspection inside and out. They are built for service—are heavy, strong and durable—and are guaranteed to be the best ranges money can buy. Don't take our word for it—thousands upon thousands of satisfied "Jewel" users will prove this claim for us. We know that all steel ranges look much alike. But the test of every-day use brings out to the light of day all the defects of the "make-believe" steel ranges, and the sterling qualities of the wonderful "Jewel." One of the great features of "Jewel" Ranges is their fuel-saving feature. It is an important feature, to be sure, in these days of high-priced fuel.

We've "Jewel" Ranges of various sorts and sizes. If you're in need of a range, come to the store any day, and our stove expert will show you how good a "Jewel" really is.
