Morris Chairs Reduced

You can now buy just the Morris Chair you've been looking for at a big reduction because of the sample sale beginning tomorrow.

CASH OR CREDIT—TERMS TO SUIT.

EVERY season we go through the entire stock and select all "Floor Samples" representing lines sold out, and all "short lines"—two, three or four of a kind—and mark them at such low prices that will insure very speedy selling. Now, mind you, there's nothing amiss with any of these goods; on the contrary, the very fact that there are only one or two or three left of a pattern is most conclusive evidence that it met with public approval to a high degree. It is impossible to give a detailed list of these items—if we did this entire Sunday paper would scarcely be big enough to contain it all. We assure you, however, that the savings will be substantial—in many cases the former PRICES have been CUT ONE-HALF, in others ONE-THIRD, AND A FOURTH, AND A FIFTH. Don't fail to remember that you can buy any and all of these items at the same price whether you say "Charge it" or pay cash. Verily, Powers is the store that saves you money—big money.
