Join Our Weekly Payment Sewing Machine Club

It is just as easy, yes, easier, to own and pay for the best machine made than to be satisfied with an inferior kind. We are Portland agents for the Standard Sewing Machine in four grades and sell them all under a ten-year guaranty. A small payment of \$5.00 pays your membership fee and the first \$5.00 on the machine, regular weekly payments thereafter of \$1.00 soon pays the balance and the machine is yours. **But remember that the machine is yours as soon as the first payment is made, delivered at once.** We have an expert demonstrator who will show you everything there is to know about this peer of all sewing machines, who will explain the two machines in one idea, and who will be pleased to give you the very best of her time and attention. You will soon be making children's Fall clothing for school wear—surely there is no better time to purchase a machine. You can own one on small weekly payments of \$1.00.
