

The Corset Department On 2d Floor Annex

The magnificent new Corset Department now comfortably located in the new annex, Second Floor. First, sufficient selling space has been provided for our rapidly increasing business; second, fine fitting rooms, with good light, airy and comfortable, have been provided; last, but not least, the best lines of corsets America produces will be on sale. On this floor is the handsome new section devoted to "baby things" of all kinds. Second Floor, annex.

The Toy Department On 4th Floor Annex

On the Fourth Floor, in the new annex, you find the Toy Department, Santa Claus' headquarters. A temporary arrangement only, but a practical one for displaying toys and all lines of playthings in a most satisfactory manner. On this floor the enlarged Picture Department, Trunks and Bags, Baskets, Kodaks and supplies are also located. Complete stocks and best values always. Let us show you.

The Men's Clothing On 3d Floor Annex

A new, light, airy Men's and Boys' Clothing Store, on the Third Floor, annex; a clothing store than can supply everything in men's and boys' apparel at a saving of fully 25 per cent on what equal grades cost you at the exclusive store. The Fall and Winter merchandise is arriving daily and offers choice from the largest and best stock in the city. We extend a cordial invitation to men, women, parents and the boys to visit the new Clothing Store—on the Third Floor.

The Shoe Department On 3d Floor Annex

A practical Shoe Store, carefully arranged for your comfort. An entire new department, not complete as to equipment, but prepared to serve you as usual with standard footwear for women, men and children at the very lowest prices. The new Fall models are ready for your selection. Footwear we guarantee in every particular. Our assortment of footwear is always the best, and prices are the lowest. Look to your needs. Let us show you the 3d Floor.

The New Millinery Department

On the Second Floor, in the new annex—completely fitted in mahogany—the largest and handsomest department of its kind west of Chicago. The arrangements and the equipment will compare favorably with any in America. Women's, misses' and children's fashionable headgear in unequalled assortment, and shown to very best advantage. Every convenience has been provided in order to serve you promptly and to your entire satisfaction. The stock has been trebled in size and the chief attraction will continue to be the very best merchandise at the very lowest price. You will be delighted with the new Millinery Salon. Second Floor.

General Offices Now Located on the Sixth Floor

The New Undermuslin Department

The new Muslin Underwear Section, with its superb appointments, will find immediate favor with the thousands of friends of the store. Splendidly complete in every detail and well arranged for the buying and selling of fine lingerie. The entire section, in connection with the Corset Department and pretty Infants' Wear division, is fitted in mahogany and glass. An unusual opportunity is presented for displaying fine undermuslins and "baby things" to the very best advantage. Make it a point to see the Second Floor on your next store visit. You will be delighted, we know, with these splendid new departments.

Our New Fall Catalog is Now Ready for Mailing

The Greater Meier & Frank Store Rapidly Nearing Completion

A great part of the new annex opens for business tomorrow morning, so we extend a cordial invitation to the general public to view the second, third, fourth and sixth floors which are now ready for business in connection with the present store—The immediate occupation of these floors in the annex was made necessary by the many improvements and alterations under way in every section of the main building and all of which will be completed at an early date—The fixtures and fittings in the new annex are not entirely finished, but far enough advanced to give you a splendid idea of what The Greater Meier & Frank Store is really going to be—We are particularly anxious for you to visit the second and sixth floors, which outside of floor coverings and a few minor details, are in a finished state and the fittings of which are on a par with anything America has to offer—We have surprises in store for you, and when the completed store is ready Portland and the entire Northwest will enjoy and appreciate a shopping emporium they will have every reason to feel proud of—The four elevators in the annex are now in operation in connection with the three new machines in main store—Seven passenger elevators all told permitting shopping to be done on the upper floors with comfort and despatch—Great Expansion and Removal Sale continues in all the departments
