Willow Ostrich Plumes at \$15.00

Monday we bargainize the richest decoration that enters into the construction of any hat. These rich, graceful Plumes are the finest stock to be had at any price and were bought in New York less than two weeks ago at a special price and are now here, that fashion's leaders may choose in advance of the seasons the gorgeously rich feathers that will deck their Winter millinery. We invite inspection of these plumes.

They are extra heavy, three-ply willow plumes in a handsome lustrous black, plumes that will sweep in majestic beauty from the most beautiful hats worn in Portland the coming season.
