**Announcing a Showing of Many of the New Fall Models in Women's, Misses' and Juniors' Tailored Suits**

The Cloak and Suit Section's initial Fall presentation of the popular-priced Tailored Garments—introducing the newest fabrics and the leading styles—a distinction of fashioning and cut that will appeal to critical style-taste and reflecting what is correct for Fall wear. In the strictly tailored Suits for Women, Misses and Little Women are the fabrics that will prevail this season—Serges, Diagonal, Hopsacking, Hairlines, Broadcloths, Scotch Tweeds, Cheviots and Panamas, in splendid variety of the accepted Fall shades—mode, smoke, raisin, brown, wistaria, hunter green, wine, navy and the light, dark and medium mixtures. Plain tailored coats, and skirts with the new cluster plaits are some of the Fall style-features.

**TAILOR-MADE SUITS FOR JUNIORS**—featuring a new addition to our ready-to-wear section that will prove decidedly popular. This line shows the nobbiest and most stylish models in sizes of 12, 14 and 16 years, in cheviots, serges, homespuns and novelty mixtures. Colors are blue, wine, green, black and cadet. Prices ranging from **\$17.50 to \$25.00.**

**Misses' Tailored Cloth Suits** LATE SPRING STYLES—SUIT-ABLE FOR EARLY FALL WEAR

Originally Priced From \$15.00 to \$25.00—Now \$7.50 to \$12.50

In selecting these styles our buyer had in view their adaptability for Fall wear, and we are therefore enabled to make this exceptional offering so early in the Season. The materials are Worsteds and Panamas, in the plain colors, invisible stripes and shepherd checks. Special attention is called to sizes 14 and 16, for misses' school wear. Sale commences Monday.

**We Have Planned for One Month an active Range Selling Campaign—offering Thirty Days' Free Trial and the extremely liberal buying terms \$5 Down, \$5 Month Thereafter**

Intending range-buyers will quickly recognize the opportunity conveyed in this announcement for placing in their homes a dependable range on terms that are within the reach of every one. What more liberal buying inducement than this could be asked by prospective range purchasers? A 30 days' Free Trial, this alone being sufficiently convincing of our faith in the qualities of these ranges. And then we have made this still more liberal by offering the extended terms of payment mentioned above. Whether you intend buying a range or not, there are many distinctive features embodied in the construction of these ranges in which we know you will be interested.

**"THE SOUTH BEND MALLEABLE" RANGE**

is conceded by range experts to be the leading malleable range—a combination of malleable iron and Bessemer steel—riveted together like a boiler. It will last a lifetime. Saves repairs—saves time and labor. No cracking or warping and no open seams. Does not require blacking. Burns perfectly and cooks things as you want them and when you want them. In economy, comfort and satisfaction, "The Malleable" will save you more than its cost in one year.

**"SUPREME," "CROWN" AND "CAPITAL" RANGES**

These are the three shown in our new line of steel ranges. In them is assembled the most modern features in range construction—meaning economy and satisfaction and a saving of labor. In offering these ranges it is with the assurance that they are the best that it is possible to select for the money—anywhere. Let us show you their many distinctive features, upon which we base their superiority.

**The "New Domestic"**

MADE A LITTLE BETTER THAN OTHER MACHINES—FULLY GUARANTEED

It is the one single machine in which is secured in a practical manner and carefully studied out for simplicity—the chain stitch and the lock stitch. The "New Domestic" is a distinct make and is not put out under various other names, as are many of the cheap machines on the market. Priced from **\$38.50 up.** We are exclusive Portland agents.

You Can Buy One on Liberal Time Payments—\$5 Down, \$5 a Month

**Window Shades** AVOID A WORLD OF TROUBLE BY HAVING THEM SATISFACTORILY MADE

Perfect shade cloth and a good roller go a long way in making a window shade, yet without good workmanship these will fail in their purpose. We make the most satisfactory window shades—employ the best workmen. You will find our prices right.
