There are never any complaints heard from the user of a "Jewel" Range, but, on the contrary, nothing but praise. A few days ago we received a solid carload of them, so we've enough to meet every demand for a little while again.

Terms are \$5 down and \$1.00 per week.

It would take too much space to go into detail about their many good qualities—but here are a few:

- MADE OF EXTRA QUALITY OF STEEL
- DOUBLE ASBESTOS LINED WALLS
- KEMI-TEST METAL CASTINGS
- EXTRA LARGE FIRE BOXES
- EASILY REMOVED GRATE

And, best of all is the fact they do not cost any more than inferior ranges.

Are you a new resident of Portland? If so you no doubt are on the lookout for the best furniture store—the store where good quality is paramount, where that good quality is obtainable at a fair price, where you are sure of receiving absolutely fair treatment. It no doubt sounds egotistical for us to lay claim to be that store. But we are not alone in making that claim. Thousands upon thousands of satisfied customers have depended on this store for a generation for the supplying of their home needs indorse our claims. There must then, perforce, be merit in our claims of superiority. The specials we present on this page are well worth while making a trip down town for. They are all of "Powers" quality, all are sold at prices eminently low, and you are welcome to say "charge it"—the price will be the same as though you had the cash.
