THINGS FOR YOUR THANKSGIVING

Big Linen Sale Starts Monday

At this time of the year—the season when hostesses are planning on guest list for the Thanksgiving dinner and when their greatest pride as cooks and housekeepers is called into play—then is the time that our linen stock comes into its own. Here are assembled glorious assortments of the very best class of linens, for only reliable makers' products are found here. We are sole Portland agents for the incomparable Richardson's Irish linens, the best made in the whole world. Our stock this season is not only larger than that of any competitor—for that's a regular occurrence—it's larger than it ever was before. Goods that are better spun, better bleached, better woven, better finished and better designs than any other maker turns out. We also have some wonderfully exquisite designs in the German linens, goods that excel in beautiful hemstitching.

Good Shoes for Men Here

We are Portland agents for Edwin Clapp & Sons shoes for men—and here, at a price not too high, is a shoe that is the equal of any on the market. The leather used is the best obtainable. Shapes are conservative, yet in the best of taste and made to properly accommodate the foot. The workmanship is the finest put into any American shoe. Several new styles just received.

We are also agents for James A. Bannister's custom-made shoes for men. Their bench-made shoes are conceded to be as good as human hands can make them. Several new styles are shown. Visit our splendid shoe department.

To introduce these two lines, we offer them for the same prices as ordinary grades usually bring. Remember to buy now, for the low prices that rule this week will be advanced.
