Rugs of First Quality

THE WHITTALL

There is nothing that has grown so much in popular favor as rugs. To supply this increasing demand we have put in an unusually large assortment in various sizes of rugs from the Whittall factory. We believe Whittall Rugs to be the ideal of rug excellence, on account of the factory's unchangeable insistence that their high standard of quality must always be maintained. The Whittall factory is one of the most complete and modern for making rugs, and in the weaving of their rugs nothing is neglected that would add to their wearing qualities.

Every WHITTALL rug has the name woven in the back. We wish to call your attention to some of the rugs in this famous factory.

THE ANGLO-PERSIAN

In this quality of carpet the strong claim is made of producing the best rug in the world. This rug has a very fine and smooth surface and is easily taken care of. 9x12 Anglo-Persian Rugs, \$55.00.

Majestic Ranges for Use Where There Are City Water Connections

This is No. 844, one of the numerous family styles, equipped with pin extension malleable iron water-front, the most powerful heater made, ready to attach to pressure boiler or other tank. Entire top, brackets, door frames and everything subject to a strain are made of malleable iron. Entire body and lower bottom, which are subject to rust, are made of old-style charcoal iron. All parts are thoroughly riveted (not bolted), making the range practically airtight. There is a double warming closet at top, with drop doors, forming a strong shelf. There is an additional warming closet below oven. Majestic Free Cook Book for the asking.
