

Twenty-three Shopping Days Until Christmas Therefore It Is Wise to Visit Powers' Now

There are two ways of doing Christmas shopping—one wrong, the other right. The wrong way is to put everything off until the last minute, then rush down town in a frenzy, pick up any old thing that is offered and later on wonder why the gift—costly, yes—was not appreciated. The right way is to come here to this store as soon as you can and go through the stocks thoroughly. You'll find something suitable for about everyone you want to remember with a gift—no matter if it's a close relative or a friend. NOW you can buy at your leisure, find exactly what you want in as yet complete assortments. We will take care of your purchase and deliver it to the address you give us at exactly the time you want it there. 'Twill be easy on your purse, as well—pay a little down and a little now, and then as suits you.
