hibited.

These ploncers lawyers and jurists were members of the constitutional

convention and all took the position in 1887 that the Legislature undoubtedly had the power to increase the salaries of the state officers. That language of the section of the constitution placing the salaries of the state officials at a certain figure is very similar to that which states that the Supreme Court shall consist of three members.

Deputy Sheriff Wilson Clears Up Mystery of Letter Found on

Dead Man.

PENDLETON, Or., Nov. E.- (Special.) A Rabeal is the name of the man mur-dered near Umatilla. This much was dis-covered today by Deputy Sheriff Bert Wilson, who has also cleared up the mystery of the latter addressed to Charles Michael, of Pilot Rock.

Michael, of Pilot Rock. The overcoat found buttoned about the head of the murdered man and in which was found the letter was the property of Michael. He had left it in a local store last Saturday when he purchased a new coat. It was wrapped up and he was to call for it later. The murdered man also purchased some - clothing at the same store on the same day, leaving a package of clothing for which he was to call later. He came in in a hurry just before the westbound night train arrived and was given the Michael pack-

age by mistake. The dead man was identified by the clerk as the one to whom he had sold the identical clothing worn by him when found, and the one who left the package with the name Rabeal on it.
