

In line with our policy to give the very best of accommodation to Christmas shoppers and out of deference to the thousands of buyers who have trouble in finding time to do their shopping, this store will open every morning during Christmas week at 8 o'clock and remain open until 9:30 in the evening, following the regular Saturday hours. These hours in no way conflict with the ten-hour labor law, as two shifts of sales-people are used. Added facilities for the proper accommodation of our many patrons have been provided and all will find the whole business day available. For this week you may shop early or late and find the best of service, and attention.

### GLOVE ORDERS, GIFT CERTIFICATES

In every department of the store, we are selling hundreds of Glove Orders and Certificates that are exchangeable for merchandise of any kind that we handle. No limit as to price. May be exchanged after Christmas.
