

ORDERS AWAITED ON TRUNK FRAUDS

Federal Officials Ready to
Make Score of Arrests
in New York.

CUSTOMS LOSS \$2,000,000

Persons and Firms Implicated Are
Responsible Financially and Gov-
ernment Hopes to Recover
Large Sum.

WASHINGTON, Dec. 18.—In the mat-
ter of the steamer trunk frauds, in
which a number of arrests have
been found throughout the country, the
district attorneys, Mr. Loeb said, were
waiting for word from headquarters be-
fore making arrests.

It is said there are between 25 and
40 persons and firms against whom the
Government contemplates taking ac-
tion in connection with steamer trunk
frauds. Thirty of these are said to be
in New York.

Estimates are made that the treasury
has been defrauded out of approxi-
mately \$2,000,000 through the operation
of the steamer-trunk methods, and, as in
most of the cases, the persons and firms
suspected are believed to be responsible
financially, the expectation of the Gov-
ernment is that a large portion of this
will be recovered.

Collector Loeb, of New York, who was
again at the Treasury Department to-
day, expressed satisfaction at the out-
come of the sugar-fraud trial in New
York.

"Very satisfactory; fine thing," Mr.
Loeb remarked. He was disappointed
over the failure to convict Bendoricich.
There are two men "higher up" than
he, however, whom Mr. Loeb said the
department was after, one of them,
Gerbracht, who had the superintend-
ent of the sugar refining docks at Wil-
liamsburg, and who is now under in-
dictment, and another whose name he
did not care to make public.

COURT DELAYS SENTENCE
**Convicted Men Expected to Aid in
Other Convictions.**

NEW YORK, Dec. 18.—Oliver Spitzer,
the Williams dock superintendent and
the four checkers found guilty last
night of conspiring to defraud the
Government by underweighing sugar
imported by the American Sugar Re-
fining Company, were not sentenced to-
day. Instead the criminal branch of
the United States Circuit Court allowed
them freedom under bail until January
8, when they will present arguments
for a new trial.

Henry L. Stimson, special counsel for
the Government, announced that he
would oppose a thirty day delay, to
place the convicted men on bail after
sentence had been passed. It is be-
lieved the Federal attorneys welcome
the stay in the sentence because they
hope that some of the indicted men
may give them valuable information on
the chance of this lightening their
punishment.

Patrick Hennessy, a white-haired
veteran of the weighing docks and one
of the convicted men, is expected to
appear in court today with Special Prosecutor
Stimson and the latter was heard to
say:

"I will be pleased to see you in my
office."
In granting the delay of sentence
Judge Martin intimated that confessions
involving superiors might win for the
convicted men lighter sentences.

"If these men," he said, "were led to
do wrong through the influence of
stronger minds they are entitled to the
full benefit of the mercy of the court.
They should not now be shielding per-
sons who might have controlled their
actions at the risk that the courts may
not take into consideration the recom-
mendation to mercy."

APPEAL'S ADVANCE IS ASKED
**Government Anxious to Prosecute
Sugar Trust Officials.**

WASHINGTON, Dec. 18.—Application is
to be made to the Supreme Court early
in January by the Department of Jus-
tice to advance for hearing the appeal
of the government from the decision of
Judge Holt at New York, practically ex-
empting from prosecution certain of-
ficials of the sugar trust because their
acts are barred by the statute of limita-
tions.

LOEB WAITS FOR AUTOMATICS
**Sugar-Weighing Apparatus to Be In-
stalled in New York.**

WASHINGTON, Dec. 18.—Collector Wil-
liam Loeb, Jr., of New York, said here
today he was looking for the arrival of
the first of the automatic scales which
it is proposed to place on the docks in
New York for sugar weighing purposes.
If found satisfactory, 20 of the scales
will be installed.

ROAD BOOSTS DRY FARMS
**Santa Fe Sets Aside \$25,000 to Aid
New Mexico Settlers.**

ALBUQUERQUE, N. M., Dec. 18.—It is
announced today by the immigration de-
partment of the Santa Fe Railroad that
\$25,000 or more will be spent by the rail-
road to demonstrate the final practical-
ity of dry farming in the wastes of
New Mexico.

Hard-working homesteaders in all parts
of the territory will be supplied with the
necessary funds and implements. Pro-
fessor J. D. Tinsley, of the New Mexico
Agricultural College, has resigned in or-
der to take charge of the work.

Many Yale Students Borrow.
NEW HAVEN, Conn., Dec. 18.—The
returns from the new loan system in-
stituted by the Yale Corporation for
the college show that 90 per cent of
the students accepting money aid from
the college have elected to do so in
the form of loans instead of gifts, giv-
ing their notes of hand to be paid after
graduation. The total amount involved
is \$23,185 for the present college half
year.

THE SIMPLE HOME REMEDY.
The new remedy Salgrene for rheu-
matism and kidney trouble daily grow-
ing more popular. Retard action of the
kidneys causes an accumulation of uric
acid in the blood and forms the founda-
tion for rheumatism. Salgrene acts
directly on the kidneys, eliminating the
uric acid there by giving almost in-
stant relief.
Procure two ounces Salgrene, four
ounces pure olive oil and mix thor-
oughly and take two teaspoonfuls ev-
ery three hours until relieved; then
one teaspoonful three times a day.
