LOVE LOST; \$50,000 WON

KANSAS CITY LAWYER LOSES WIFE BUT GETS RICH QUICK.

Average of \$10,000 Per Minute Made in Court by Verdict Against Affinity.

KANSAS CITY, Mo., Jan. 22.—(Special.)—For less than five minutes' deliberation yesterday morning the St. Louis circuit court gave A. L. Sherman, a Kansas City lawyer, a verdict of \$50,000 as a bail for wounded feelings sustained when his wife gave her love to another man three years ago.

The suit was for \$25,000 exemplary and \$25,000 actual damages. The defendant was J. C. Silverstone, now of Seattle.

Mr. Sherman obtained a divorce a year ago. His wife was happy until January, 1907, when Sherman testified, Silverstone began to shed compliments and other attentions on Mrs. Sherman.

Sherman said he asked his wife how it was she could buy military and fine dresses without approaching him for a loan. She told conflicting stories and Sherman went to Silverstone's store to see him about it.

Sherman said he seized Silverstone by the throat and forced him back on a barrel. Under threat of killing him, he said, he obtained a partial confession.

"After that my wife and I had frequent quarrels, and finally she left me, taking our child, the last I heard of her she was in Seattle."

WASHTENAW MAKES PORT

Oil Tank Steamer Reports She Is Not Disabled.

SAN FRANCISCO, Jan. 22.—(Special.)—The oil tank steamer Washenaw, of the Union Oil Company, reached Port Harford, St. Louis County, Friday afternoon. She reported that she was undamaged and would leave in the morning for San Francisco.

No story was obtainable from the captain as to his reasons for not again picking up the ship W. H. Smith. The Port Harford dispatch says that the towing cable was broken because of the rough weather and consequent high seas, but the captain could not be reached to make any statement as to whether he made any attempt to find the sailing vessel.

WASHINGTON, Jan. 22.—Confirming the story of his readiness to retire from Congress in favor of Theodore Roosevelt, Representative Charles Oyster Bay, who represents the Oyster Bay district, where the Roosevelt home is located, said yesterday that he had informally talked the subject over with Mr. Roosevelt.

"The talk was entirely informal," said Mr. Cocks, "and the President's expressions were given in a tentative way. I have secured the services of a nurse. Dr. Black says that Mrs. Johnson has a tumor, but that an operation will not be necessary in the immediate future."

SAFE IS NOT BLOWN OPEN

After Flagging Train With Red Lantern Thugs Cut Off Mail and Baggage Cars, Leaving Passenger Coaches Alone on Track.

ST. LOUIS, Jan. 22.—Missouri Pacific train No. 8, due in this city at 2:40 o'clock from Kansas City, was held up and robbed last night by four masked men one mile east of Eureka, 30 miles from St. Louis.

The train was flagged with a red lantern and, as the engine stopped, the four masked men aimed revolvers at the engine crew.

The passengers were not molested. The missing cars and engine were found shortly after midnight at Cattlewood, 40 miles from Eureka, on a siding. The safe was not blown open, according to officials of the company, although attempts had been made to force it.

Twenty-five bags of registered mail were found ripped open. Contents of many letters and packages had been taken and it is supposed many letters also were carried away.

The robbers, after rifling the cars, forced the engineer to run his engine and cars down the track. The four jumped off and disappeared. Poses are now pursuing them. The safe in the express car is said to contain \$10,000 in cash.

Three coaches in the train were left standing on the main line until after midnight, when a special train from here carrying the deputies arrived. The passengers were en route to St. Louis.

The hold-up occurred in a sparsely settled district and news of the robbery did not reach St. Louis until late tonight. The robbers fired at the conductor. After the engineer disappeared, the conductor, walked to a farmer's house near Eureka and telephoned to St. Louis.

Several robberies of the kind have taken place near Eureka. In one, John Hedegpeth, recently killed as a burglar in Chicago, and his gang took \$30,000 from a Frisco train at Glendale.
